

1981 United States Masters National AAU Short Course  
Swimming Championships

May 23, 24, 25, 26 1981

Irvine Heritage Park Aquatics Complex  
Heritage Park, Irvine, CA

June 20, 1981

We are so glad that 1209 of you came to the superb Aquatic Complex at Irvine for the 1981 Short Course Nationals. Many of you brought family members and friends and we hope you all had a good time.

It was a record-breaking meet in many ways - the largest attendance, about 500 relays, the longest program, and of the 128 teams listed in the results more than one third came from outside the United States.

We hope that any problems you had were minimal and the rewards both in record-breaking times and medals won exceeded your expectations.

We apologize for not having the Color Guard at the opening ceremony, but President Reagan came home for the long weekend, and he had prior claim to this group.

If you find any discrepancies in the results, please send full details to:

Curtis Mosso  
5597 W. Camino Cielo  
Santa Barbara, CA 93105

who will investigate and correct where necessary.

We thank every one of you for coming - we loved having you and hope you will come back again soon.

On behalf of the organizing committee

*Margaret George*  
*Sina Martin*
