The LMSC Development Committee is planning peer-to-peer teleconferences for the following positions:

- Check back soon!

Teleconferences will each take approximately 1 hour. Email invitations are sent to those in each role in advance with dial-in information. Contact the [LMSC Development Committee](#) for more information.

The goal of these facilitated calls is to provide an opportunity for you to converse with your peers, pose questions, get answers, discuss challenges, and share successes related to your LMSC volunteer role. In turn, the LMSC Development Committee can use the information shared to help build a repository of best practices for each of our volunteer positions.

Peer-to-peer calls are now more easily accessible in the Meeting Minutes section of [usms.org](https://usms.org) by selecting [Peer-to-Peer Teleconference Notes](#) or [Peer-to-Peer Teleconference Recording](#). Happy reading and listening!
