USMS National Championship
Relay Card Information

If you know the names of the swimmers on your relays, you may submit the names now, and the names will be printed on the relay card generated by the computer. You may still change the name(s) at any time prior to the relay being swum by crossing out the name(s) on the card and replacing with the new name(s) and age. Supplying this information prior to the relay being seeded should assist you in organizing your swimmers and will expedite relay results after the event is swum.
