### **General Meeting**

All swimmers, coaches and officials should be represented at the general meeting Mon., May 13, 6:30 PM in the Athletics Lecture Hall, located near the pool.

### **Coaches Certification School**

The Masters Aquatic Coaches Association is planning on conducting a Masters coaches certification school in conjunction with the meet. Information will be available from the MACA web site ([www.macacoach.org](http://www.macacoach.org)).

### **Registration**

All participants must register prior to competing to sign an emergency card, safety information statement, and liability release and receive a meet program and other meet information. Registration will be at the pool on Mon., May 13 from 12:00 - 7:00 PM, and on Tues. through Fri. from 6:30 AM until the end of each day's events. Check-in for all events and relays will be available in the pool area.

### **Seeding**

All events will be deck seeded unless meet management determines that the meet can be completed in a timely fashion with pre-seeded events. Women's heats will precede men's heats for each event. All events except the 400 IM, 1000 Free, and 1650 Free will be seeded by age group, with the oldest age group first, slowest heats seeded first within each age group. The 400 IM, 1000 and 1650 Free will be seeded slowest to fastest by entry time for each sex regardless of age.

### **Check-In Deadline for All Events**

This is a deck seeded meet. Check-in is required for ALL events and may be done in person in the registration area. Coaches or teammates may check in for those swimmers whose travel plans do not permit check-in by the deadlines. There will be no telephone or Internet check-in on any day either preceding or during the meet. Failure to check in will result in the swimmer being scratched from the event.

### **Check-in Times**

You must check in each day, prior to the check-in deadline, for the events you plan to swim that day. Generally the check-in deadline will be approximately one hour prior to the estimated time the event will start. If the Championship Committee and meet management concur that the meet can be completed in a timely fashion with pre-seeding, check-in may be waived for some events. Events without check-in will be pre-seeded. The check-in deadlines will be posted on the USMS web site ([www.usms.org](http://www.usms.org)) by 5/7/02. You will also receive a list of check-in dead-

lines when you register. No separate mailing regarding check-in times will be made to distance event entrants.
