

USMS National Championship Relay Card Information

If you know the names of the swimmers on your relays, you may submit the names now, and the names will be printed on the relay card generated by the computer. Supplying this information prior to the relay being seeded should assist you in organizing your swimmers and will expedite relay results after the event is swum.

You may still change the name(s) at any time prior to the relay being swum by crossing out the name(s) on the card and replacing with the new name(s) and age. No changes in age group or seed time are allowed. Any change of swimmers must therefore keep the relay team in the same age group or the relay will be disqualified.
