

# THE MARYLAND LMSC OF UNITED STATES MASTERS SWIMMING PRESENTS

## The 2013-2014 Carol Chidester Memorial Swim Series

Maryland is hosting a 6-meet swim series for 2013-2014

- The meets are free to all registered USMS Maryland LMSC swimmers who register online. Swimmers from other associations are welcome for a fee of \$15 and must enter online.
- Deck entry fee is \$15 and will be permitted for Maryland LMSC swimmers only. (Fee waived for ages 60+). All Maryland LMSC swimmers who wish to deck enter must bring a copy of their USMS registration card. Swimmers may print their own copies by following the instructions on <http://mdusms.org>
- New Maryland USMS registrations will be permitted on deck and will be exempt from the meet fee. USMS renewals will not be permitted on the deck.
- The exact dates, event lists and other details for each meet will be posted on our website as details become available. Preliminary details are provided in this announcement but are subject to change.

We encourage you and your teammates to attend the swim series. The meets are low-key and fun. There are post event "socials" at some meets.

***The annual Maryland USMS general membership meeting will take place during the October meet at Dancell Family (Ellicott City) YMCA . Meeting details will be announced via the Maryland USMS email list and will be posted on our website.***

The **Swim Series Challenge** will include meets through February 2014. An award will be given each swimmer who competes in all of those meets or completes any **12 different** individual events. Awards will be presented at the sixth and final meet.

Maryland teams will be scored using the Club Scoring method. Details are posted under "Results" on our website. Series awards will be presented at the March final meet.

### **CONDUCT:**

- All meets will be sanctioned and have two officials. All participants must be registered with **United States Masters Swimming (USMS)**. Visit <http://mdusms.org> for USMS registration and more information.
- Most meets will be seeded strictly by time. In these meets men and women will compete together. Scores will be calculated as usual by age group and by sex.
- The relays in all meets may be Mixed, Women, or Men. Mixed relays must consist of two men and two women. Swimmers may enter exactly one freestyle relay and exactly one medley relay. All members of a relay must be from the same registered club, no unattached swimmers allowed. The relays will be swum according to standard USMS relay age groups (18+, 25+, 35+, 45+, 55+, 65+, 75+, 85+).
- A preliminary meet program is usually provided to entrants the evening before the scheduled meet. Preliminary results will be provided no later than the day after the event, in most cases.
- Each meet will use an on line entry system. The system will be accessible via <http://mdusms.org> 14 days before each meet, and will close at 9:00PM the **Thursday** prior to the meet. On the site click "Event", find the meet of interest, click on the link and follow the instructions.
- Swimmers who enter online will be pre-seeded in the meet and in the meet program. Maryland LMSC deck entries will be inserted into open lanes or into new heat(s) as required. Some events may have entry limits imposed and may be marked as "full" by the meet host/director, so swimmers who choose to deck enter may not be able to swim their favorite events. Online entry is strongly encouraged.
- Each swimmer will be allowed to swim up to three (3) individual events and two (2) relays per meet (a medley and/or freestyle) unless otherwise posted on our website.
- Positive check-in at the meet for those who enter online is not required with the following exception: **Distances of 400 yards or greater shall usually require positive check-in before the meet.** Seeding of those distance events shall be done the day of the meet based on the actual people who complete a positive check-in to swim.
- Each meet will have a minimum of 50-100 of each stroke, 100 & 200 individual medley, 200 freestyle, and a 200 of another stroke. The 500 freestyle and 400 individual medley will be scheduled in at least two of the meets. The course for all meets is expected to be short course yards (SCY).
- Meet results will be submitted to USMS's searchable database.
- This notice is subject to change. Changes to rules and individual meet details may be posted on our website.
