

Applegate Lake Open Water Weekend

Site Map and Safety Craft Coverage Plan

1500, 2500, 5000, & 10000-meter swims. 12-15 spotters and 2 rescue craft on 2500M loop (shortened loop will be used for the 1500-meter swim). Accordion-style coverage. All spotter craft stay on the outside or well inside the course for maximum coverage and directional control (except as needed) and rescue craft will be positioned at 2 locations for maximum course coverage and swimmer accessibility. Evacuation points: Nearest shoreline.

EMT Ambulance
