

#### **FINA BUREAU CONSIDERS SWIMWEAR RULES FOR MASTERS**

The FINA Bureau has considered Masters swimwear rules. The USMS Rules Committee will learn the results shortly and then will immediately reconsider the USMS swimwear rules in cooperation with the USMS Executive Committee. All USMS members will be notified of any changes to USMS swimwear rules and the effective date. Regardless of any changes to the USMS swimwear rules, the June 1, 2009 USMS swimwear interpretations will apply for the duration of the One Hour Postal Swim being conducted in January 2010.
