

2019 Instructions for Renewing a Club or Workout Group Online

This year we're collecting additional details about your club during the [2019 club registration](#), which begins Monday, Oct. 1, 2018. This will allow us to provide better information within [Club Finder](#) and help members and potential members connect with your USMS registered club or workout group. Your Club Finder listing will allow you to showcase your facilities and coaches and provide a direct link for prospective members to email your club contact.

The new information (if applicable), includes your club's:

- USMS-certified coaches and adult learn to-swim instructors
- Social media accounts
- Types of swimmers your club specializes in
- Practice locations
- Gold Club application

We're excited to offer these new features to our clubs and workout groups. For a preview of club registration and step-by-step instructions, please review the 2019 Instructions for Renewing Clubs and Workout Groups below.

Thank you for all you do for U.S. Masters Swimming, we're looking forward to another successful year working together!
