

RULES COMMITTEE POLICY

Rules Liaison at National Championship Meets:

The Rules Committee Chair or designee shall work with the Officials Committee Chair to update briefing materials, points of emphasis, and other relevant information for officials prior to each USMS National Championship meet. The Rules Committee Chair shall also solicit feedback from the Officials Committee Chair and/or meet officials regarding significant issues related to the application or clarity of rules following each USMS National Championship meet.

The Rules Committee Chair will either attend the Championship Meet, provide contact information, or appoint a representative to be present or available during the meet in order to address significant questions or interpretations arising from the meet

The Rules Committee Chair may appoint a Rules Committee Liaison to represent the Rules Committee Chair at USMS National Championships. The Liaison is expected to attend officials briefings as an observer to answer questions, clarify interpretations, and assist as needed in ensuring a fair and equitable application and understanding of USMS part one rules.

The Rules Committee Chair shall appoint a representative to the Protest Committee for each National Championship meet as required by USMS rules.
