

## Setting up your NEW My USMS account

Begin at <https://www.usms.org/>:

click on "MyUSMS" in the very upper right portion of the page

If your discussion forums user name and password automatically populate here, DO NOT USE. Your forums user name and password will only grant you access to the [discussion forums platform](#), not your My USMS account on this page.

## Welcome to our snazzy new website!

On April 2, 2018 we upgraded our website to a more secure platform. Even if you have an existing My USMS account, please CREATE a NEW account below.

The screenshot shows two main sections side-by-side. On the left is the 'CREATE a NEW account' form, which is highlighted with a grey background. It includes fields for First Name, Last Name, Email Address, Gender (Male/Female), and Date of Birth (Month, Day, Year), followed by a blue 'GO!' button. On the right is the 'SIGN IN to your NEW account' form, which is crossed out with a large red 'X'. It includes a text input field containing 'admin|', a password field with masked characters, a blue 'GO!' button, and links for 'Forgot/Reset Password' and 'Join USMS Today'. A yellow box with an arrow points from the top warning to the 'SIGN IN' section.

Create your NEW My USMS account using the Grey Box on the left (or top of your screen if you are on mobile).

This screenshot is identical to the one above, but the 'CREATE a NEW account' form on the left is circled in green. A yellow box with an arrow points from the text above to this green circle.

Enter the required information that you registered with, click "GO"

The screenshot shows two side-by-side forms. The left form is titled "CREATE a NEW account" and contains fields for first name ("Jane"), last name ("Smith"), email address ("membership@usmastersswimming.org" with a green checkmark), gender (radio buttons for "Male" and "Female"), and date of birth (dropdowns for "Jan", "1", and "1933"). A blue "GO!" button is at the bottom. The right form is titled "SIGN IN to your NEW account" and contains fields for "Email Address" and "Password", with a blue "GO!" button below. Links for "Forgot/Reset Password" and "Join USMS Today" are also present.

This screenshot is similar to the first one but includes a modal dialog box in the center. The dialog has a title "Welcome back!" and a close button (X). The main text of the dialog says "Please check your email inbox verification link, and click to return for one more thing." A red oval highlights this text. A blue "Close" button is at the bottom right of the dialog. The background forms are dimmed.

This message indicates that the account is set up but has not been verified. The **verification email** will be sent to the email address that was provided.

## Here is the email message you will receive:
