**1984 ENTRY FORMS: SEND A SASE TO THE MEET MANAGER**

# and now a word from our sponsor.....

---

The 1983 Hour Swim was the most successful one ever. We are pleased that so many Masters men and women participated in this truly international competition. The purpose of this epistle is to enlist your support for the continuation of the Hour Swim as a National Championship event.

The Masters Long Distance Swimming Committee is currently part of the United States Swimming Long Distance Swimming Committee. At the U.S.S. Convention in the fall of 1982, the members of the Committee voted to terminate all postal meets as National Championships. We were able to have the termination date of this Masters Hour Swim postponed for a year because the 1983 Entry Forms had already been printed and distributed, particularly to magazines such as SWIM SWIM which have long lead times.

However, unless this Committee gives us permission, the 1984 Hour Swim cannot be a National Championship with awarding of Masters Championship Medals to the top ten finishers in each age group and sex, plus Championship patches to the winners.

We believe that, because of travel costs, a postal Hour Swim National Championship for Masters men and women is a very fair way to recognize long distance swimming capabilities worldwide.

If you agree that this event should continue to be a National Championship event, we request that you jot your comments down and mail them to the Chairman, Masters Long Distance Swimming,

Mr. David Grey  
1744 Palm Avenue  
San Mateo, Ca 94402

(415) 574-6738

If enough people protest, we may be able to get the Committee to permit Masters to continue to run this event as a National Championship.

Thank you for your continued support of Masters swimming.

Arthur Smith, Meet Manager

No mixed sex teams.

You MUST enter the individual swim if you want to swim on a team. Team cards listing unattached swimmers or swimmers who did not enter the individual competition will be disqualified. You may only swim on one team, i.e. your name and distance may only be used once. Multiple team entries from a single Club (i.e. "A", "B", "C" etc.) in a given age group is permitted.
