Our Heartfelt Thanks...

On behalf of the East Valley Community Foundation, Visit Mesa, Mesa Public Schools, the City of Mesa and the USMS staff and volunteers we would like to give our deepest thanks to all those who have made this event possible. Mesa is fortunate to have so many civic-minded companies, organizations and individuals who have continuously gone above and beyond the call of duty to bring this event to reality. It has been a truly humbling experience to see the generosity and hard work of so many from various organizations around the country throughout the planning of this event.

To the volunteers from both the Mesa community and beyond, we cannot thank you enough for your time and dedication. From junior high students to seasoned officials, there are so many who have stepped up to give of their time and service for this event. We know that this is the culmination of meets across the country and we are honored that you have chosen to be in Mesa this week.

To the athletes competing- this is your event! We hope you enjoy your time in Mesa racing, spending time with friends and teammates, and soaking up a little Arizona sunshine. It is with excitement and pleasure that I welcome you to the 2019 U.S. Masters Swimming Spring National Championship!

Good luck and enjoy!

WELCOME TO MESA, ARIZONA

On behalf of the City of Mesa and Mesa Parks & Recreation Department, I would like to welcome you to Mesa, Arizona. The 2019 U.S. Masters Swimming Spring National Championship is one of the most anticipated events for our city and your hosts, East Valley Community Foundation, Visit Mesa and Mesa Public Schools!

Mesa has a long tradition of working together with many entities for the betterment of our community. These partnerships have resulted in the construction and maintenance of some of the most in-demand aquatic sports facilities with some of the fastest pools in the country. The Kino Aquatic Center is just one of several top-notch venues we boast here in Mesa and we are excited for you to compete in our newly renovated pool.

As swimmers attempt to set their personal bests here in the desert, be sure to look up from the action and take in the view of the majestic Superstition Mountains to the east. There is plenty in store for when you dry off.

We hope you enjoy your visit to City Limitless®. Our hosts will be here to assist you with any questions you may have or items you may need. Enjoy the sunshine and good luck!

Sincerely,

A handwritten signature in black ink that reads 'John Giles'. The signature is written in a cursive, flowing style.

Meet Information

Seeding

Two nine-lane courses will be used for all events. The 50s, 100s, and 200s will be preseeded with the oldest age groups first, slowest to fastest within each age group, men and women separate. The 400 IMs and 500 freestyles will be deck-seeded with the oldest age groups first, slowest to fastest within each age group, men and women separate. The 1000 and 1650 freestyles will be deck-seeded slowest to fastest by entry time, regardless of age, with men and women combined.

REMEMBER: ALL EVENTS 400 YARDS AND LONGER WILL REQUIRE POSITIVE CHECK-IN.

The men's heats will precede women's heats for each event, except the 1000 and 1650 freestyles (which are combined) and 500 freestyles (which are on separate days).

Check-in for Distance Events

Swimmers must check in for all events 400 yards or longer. Swimmers, or their coaches or teammates on their behalf, may check in online or in person by the deadlines below. Failure to check in will result in the swimmer being scratched from the event and the swimmer will not be permitted to swim that event at another time.

Date	Event	In-Person Check-in*	Online Check-in*
Thurs., April 25	1650 freestyle	Wed. 3–7 p.m.– Thurs. by 7 a.m.	Tues. 7 a.m.– Thurs. by 7 a.m.
	1000 freestyle	Wed. 3–7 p.m.– Thurs. by 9 a.m.	Tues. 7 a.m.– Thurs. by 9 a.m.
Fri., April 26	500 freestyle (men)	Wed. 3–7 p.m.– Fri. by 7 a.m.	Tues. 7 a.m.– Fri. by 7 a.m.
Sat., April 27	500 freestyle (women)	Wed. 3–7 p.m.– Sat. by 7 a.m.	Tues. 7 a.m.– Sat. by 7 a.m.
Sun., April 28	400 IM	Wed. 3–7 p.m.– Sun. by 7 a.m.	Tues. 7 a.m.– Sun. by 7 a.m.

*All times are Mesa local time (MST)

Scratches

Any swimmer failing to report to the proper lane in the correct heat of an event shall be scratched from that event and shall not be permitted to swim that event at another time.

Meet Information

Relay Information

All relays will be entered online. Relays are \$16 each. A credit card must be submitted when entering relays online. However, the card will not be charged until the last day of the meet. Cash or check may be presented at the athlete registration table on-site before the last day to avoid having the card on file charged. Payments for all relays entered and seeded before the last meet day will be processed using the card on file. There are no refunds for relays not swum or entered incorrectly.

Relays must be entered with age groups and entry times by the 3 p.m. deadline each day (see table).

Following relay submissions and the issuance of the relay cards, no changes in the age group or seed time are allowed. Any change of swimmers after cards are distributed must therefore keep the relay in the same age group or the relay will be disqualified. Any change in the order of swimming after issuance must be identified and noted on the card prior to the swim. Swimming in any other order than that listed on the card will result in disqualification of the relay.

Relays will not be checked for mistakes and omissions made by team representatives. Disqualifications resulting from mistakes and omissions shall not be reconsidered. Accuracy and completeness are the responsibility of the coaches and/or swimmers submitting the relays.

Relay Eligibility

Each swimmer must be a registered Masters swimmer. Each of the four members of any relay team must be registered with the same Masters club. Unattached swimmers may not swim on relay teams.

Swimmers entering relays only and no individual events must complete the individual entry form, pay the surcharge, and sign the liability release. All relay swimmers must have entered the meet by March 25, 2019.

Each competitor is permitted to swim only one freestyle relay, one medley relay, one mixed freestyle relay, and one mixed medley relay.

Mixed relays shall consist of two men and two women, who may swim in any order. Any change of swimmers after cards are distributed must keep the relay in the same age group or the relay will be disqualified. Any change in the order of swimming after issuance must be identified and noted on the card prior to the swim. Swimming in any other order than that listed on the card will result in disqualification of the relay.

Relay Age Groups

Relay age groups are: 18+, 25+, 35+, 45+, etc. (10-year increments as high as necessary, determined by the age of the youngest relay member). Age for the meet is determined as of April 28, 2019. Designate A, B, C, etc., if you have more than one relay in the same age group.

Warm-up Times

The competition pool will be open for warm-up on Wednesday, April 24, from 3 p.m. to 7 p.m. On competition days, the competition pool will be open from 6 a.m. until 7:20 a.m. and the warm-up pools will be available from 7:20 a.m. until the conclusion of the final event each day. The competition pool will also be open for warm-up for time following the last heat of the 500 freestyle and 400 IM events on Friday, Saturday, and Sunday. The competition pool will be open for at least 30 minutes following the last event each day. On Thursday, April 25, the competition pool will remain open until 5 p.m. or 30 minutes following the last heat of the 1000 freestyle, whichever is later.

Warm-up Procedures

Swimmers must enter the pool feet first in a cautious and controlled manner. No diving or backstroke starts will be allowed except in designated sprint lanes. One or two lanes will be designated as one-way sprint lanes during the pre-meet warm-up session in the competition pool only. Any swimmer who acts in an unsportsmanlike or unsafe manner within the swimming venue may be considered for appropriate action or penalty by the referee (rule 102.13.3). Pull buoys, kickboards, fins, hand paddles, and snorkels are not allowed in the competition or warm-up pools.

Meet Information

Split Notification

Final results will indicate splits for all swims (excluding pad malfunctions). Splits will be recorded for all swimmers, and submitted for records and Top 10 consideration, for initial distances of all individual events (except for backstroke) and for all relay lead-off splits. Therefore swimmers need not submit split requests for those events. Split requests are required for initial distance(s) of an individual backstroke event. The swimmer is responsible for picking up the Split Notification Form from the administrative official, filling it out, and presenting it to the administrative official prior to the swim. Automatic split times will be submitted for USMS Top 10, however automatic split times from individual events will not automatically appear in the USMS event results database. If you would like a split time to be added to the event results database, please email your request after the meet to events@usmastersswimming.org.

Time Verification (formerly OVCs)

Swimmers wishing to have times entered into SWIMS (USA Swimming times database) must complete a form at the meet prior to the swim. Contact the administrative official at the meet.

Awards

Individual

Medals will be given for first through 10th places in each age group for each event. A USMS National Champion patch will be given to each individual and relay team member for the first event won. Swimmers winning more than one event may purchase additional patches. Unclaimed awards will not be mailed unless arrangements are made at the meet. There will be a charge for mailing awards.

Clubs

Championship banners will be presented to the top 10 clubs in the local club category and the top five clubs in the regional club category, for each of three divisions (men, women, and combined). These will be presented at the conclusion of the meet on April 28, 2019.

Online Coverage

Follow the event online at usms.org, on our Facebook page, and on Twitter. Live video streaming will also be available via U.S. Masters Swimming's YouTube channels and usms.org.

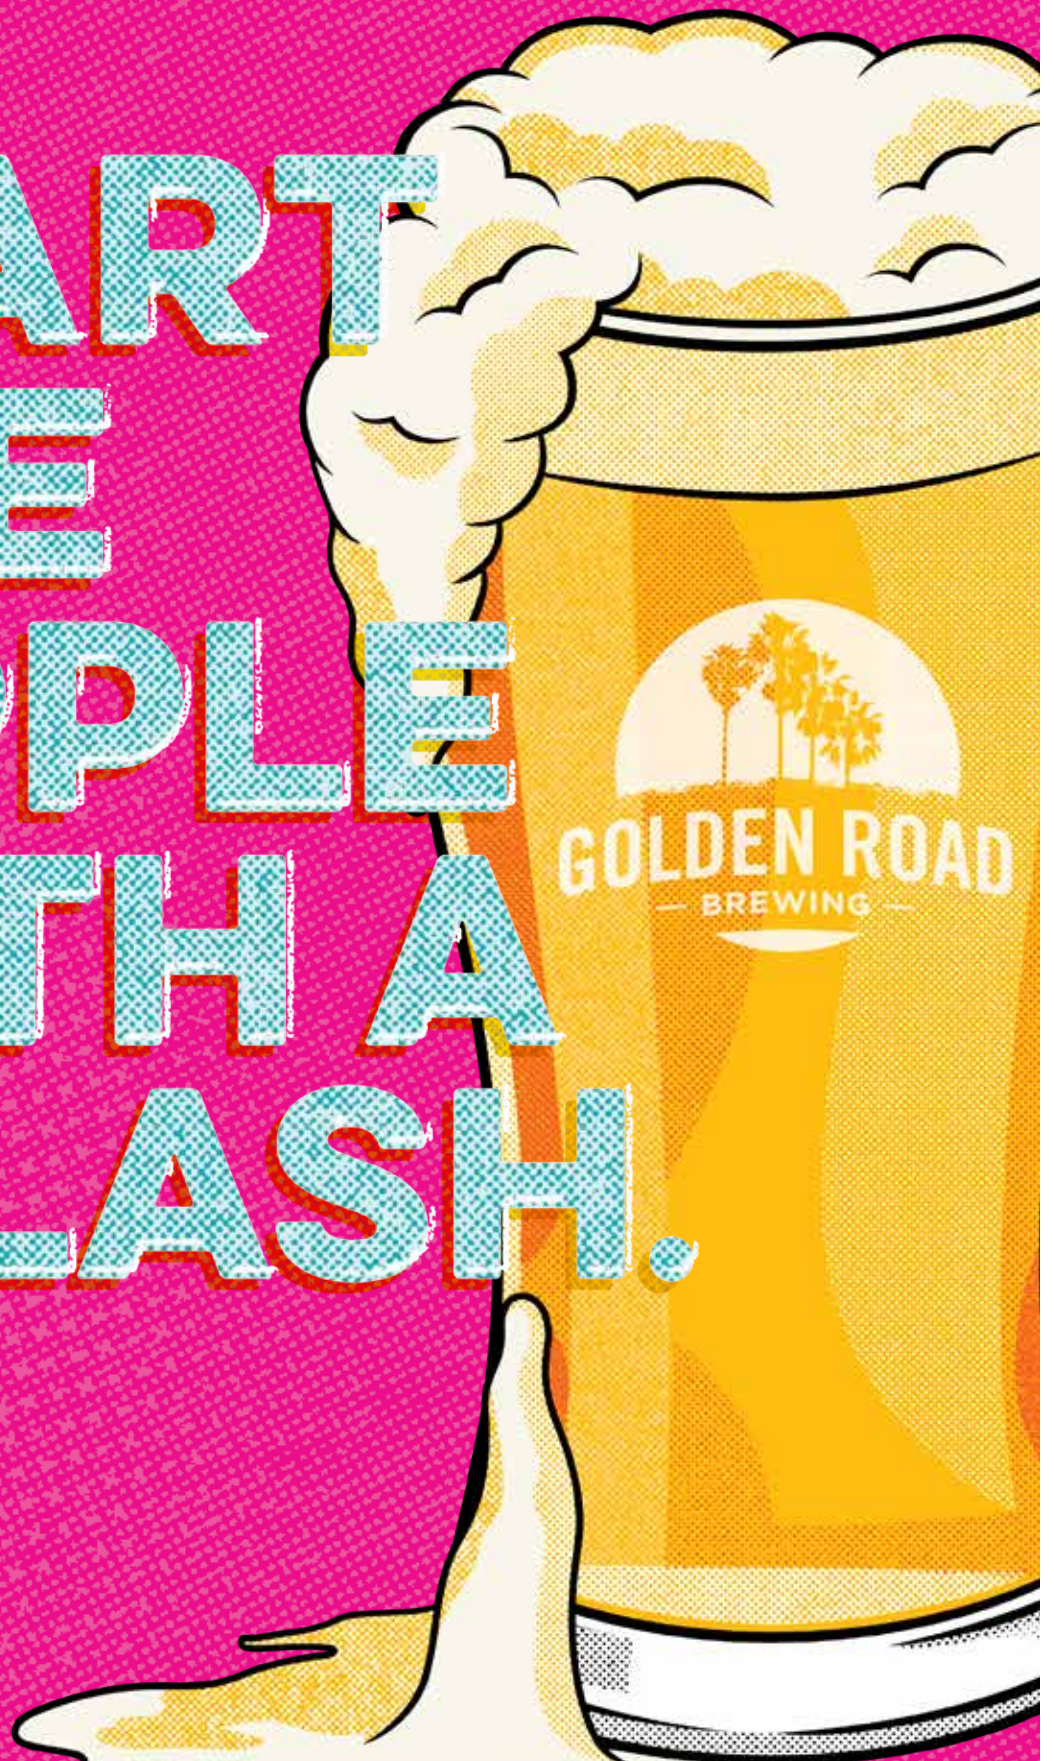

Heat Sheets and Results Available on Mobile Devices

Use Club Assistant's SwimPhone or Active Network's Meet Mobile to access heat sheets and instant results on your mobile device.

Service Animals

Animals other than service animals will not be permitted on deck at the venue.

The Capt. Ransom J. Arthur M.D. Award

DON'T MISS THE ANNOUNCEMENT OF THE 2019 RECIPIENT, WHICH WILL TAKE PLACE ON THE POOL DECK DURING SATURDAY'S 30-MINUTE BREAK AFTER THE WOMEN'S 500 FREESTYLE.

Given annually to a volunteer who's made significant contributions to the goals and objectives of Masters Swimming, this award honors Capt. Ransom J. Arthur, M.D., who, through his dedication to improving the health of adults through swimming, established U.S. Masters Swimming. Recipients have made outstanding contributions at the national, regional, and local levels through accomplishments that benefit and enhance USMS programs. Selection criteria for the award include the following:

- Encouraging and promoting improved adult physical fitness and health
- Offering opportunities to participate in lifelong fitness and competitive swimming programs
- Encouraging organizations and communities to establish and sponsor Masters Swimming programs
- Enhancing fellowship and camaraderie among Masters swimmers
- Stimulating research in the sociology, psychology, and physiology of Masters Swimming

Nominations for the Capt. Ransom J. Arthur M.D. Award are due by March 15 each year.

Common sense, meet Toyota Safety Sense.™

Toyota Safety Sense™ is now on
most new Toyotas at no extra cost.

Toyota Safety Sense™ (TSS) is a bundle of active safety features designed to protect you and your passengers from harm. Crash avoidance technologies like TSS have the benefit of keeping maintenance costs low while prioritizing safety. Learn more at fleet.toyota.com. *Let's Go Places.*

Explore fleet.toyota.com.

Prototypes shown with options. 1. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 2. The TSS Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 3. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. 4. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert, and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. Steering Assist not available on all models. 5. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. Dynamic Radar Cruise Control not available on all models. ©2018 Toyota Motor Sales, U.S.A., Inc.

VENIZO

BATTLE BORN

FABRIC AND VELOCITY

● **FRICITIONLESS FIBER CONSTRUCTION™**

As the first and only suit out in the industry to analyze drag from a microscopic perspective, the Venizo utilizes ultra smooth fiber to thread a frictionless, durable fabric.

● **SURFACE LIFT TECHNOLOGY™**

Surface Lift Technology prevents water from permeating the fabric, resulting in higher body position in the water.

● **ENDO COMPRESSION CAGE™**

Taping and inner fabric form a compressive, flexible cage of support for the abdominals, obliques and quadriceps that creates a *snappack effect* and increases distance per stroke.

● **SEAMLESS EXO SHELL™**

This hydrodynamic design utilizes a seamless construction to streamline body position while decreasing overall drag.

● **X-FINITY STRAPS™**

Ultra sleek, bonded straps engineered to ensure a state-of-the-art combination of comfort and stability.
