Dear Candidate,

Congratulations on your decision to run for an elected USMS Board of Directors position. In this packet you will find all the information you need to get through the nomination process. A copy of the USMS Election Operating Guidelines ("EOG") has been included to inform you of how the process works from the time nominations open until the election at the USMS Annual House of Delegates Meeting. If you have any difficulty complying with the requirements of this packet, notify the Election Chair. Please note that the relevant submission dates can be found in the EOG schedule.

The nomination period occurs in the year when the election is held and applies to all elected Board of Director positions (Officers and Directors). To complete your nomination, fill out the Candidate Questionnaire/Consent-to-Run form with appropriate attachments and return them by email to the Chair of the Election Committee. Please review the qualification criteria in the EOG before submitting your nomination.

If you do not go through this nomination process, you may still be nominated through the floor nomination process. There will be floor nominations during zone meetings for Directors and in the House of Delegates for all positions. Immediately after your floor nomination, you must submit the Candidate Questionnaire/Consent-to-Run form with appropriate attachments to the Chair of the Election Committee. Your documents will be duplicated and distributed to Delegates to allow time for review prior to the election. The photograph will be placed with the display board containing the other members of the slate.

Thank you for considering running for an elected USMS Board of Directors position. The nomination process and enclosed guidelines are intended to make the election process fair and consistent for all candidates. If you have any problems, please don't hesitate to contact me.

## APPENDIX D: PROCEDURES FOR PREPARING AND COUNTING BALLOTS

Procedures for counting votes shall vary depending on how many simultaneous offices are elected and how many Candidates have been nominated. Below are a variety of methods for counting. Decisions on how to proceed shall be made as the election takes shape.

### I. Paper Ballots

A. Paper ballots shall be prepared ahead of time and distributed as follows:

1. All offices and candidates being voted on during a HOD session shall appear on the same ballot.
2. Officers shall appear in the following order: President, VP of Administration, VP of Community Services, VP of Local Operations, VP of Programs, Secretary, and Treasurer.
3. Directors shall appear in the following order: Breadbasket, Colonies, Dixie, Great Lakes, Northwest, Oceana, South Central, and Southwest.

5. Ballots shall be distributed to all Delegates.
6. Any Delegate without a ballot should obtain one from the Corporate Secretary.
7. Ballots shall be collected in a box during a roll-call vote of the HOD.

B. Personnel Required

1. The minimum personnel needed to count the ballots are:

6. Other members of the Committee or HOD may participate in the counting or observing in any fashion the Chair requires.
7. The Committee members may be augmented by HOD members should the complexity of the election require.

C. Counting Process shall proceed as follows:

1. Count one office at a time.
2. Divide the ballots into piles of ten (10) ballots each.
3. The vote caller calls out the vote for each ballot.
4. The recorders record the count on separate tally sheets (SEE Appendix G for a sample tally sheet).
  - a. If a ballot does not have any Candidate selected for an office the "no vote cast" block shall be marked.
  - b. If a ballot has more than one Candidate selected for the same position—the block stating "invalid ballot" for that position only shall be marked.
  - c. If a ballot has an indeterminate marking for any or all elected positions, the block stating "invalid ballot" for each such affected position shall be marked.
  - d. If a ballot has a write-in for a Candidate, the vote shall be recorded on a separate line on the tally sheet for that position.
5. After each set of ten ballots, the recorders will make sure they have recorded ten total votes.

7. If the counts are the same, then the results are determined. If the counts are different, repeat steps three (3) through seven (7) for that position.

8. Repeat steps three (3) through seven (7) until votes are counted and verified for all positions.

#### D. Run-Offs

1. If a position does not have a majority winner (more than 50% of valid votes cast), a run-off vote will be held between the top two Candidates from the first vote, and the recount will be done using the counting process specified above.

2. New ballots shall be prepared for the run-off election(s), and will show only the run-off Candidates.
