

Entering a split request

Swimmers can fill out a “Split Notification Form” to request that a shorter split time be formally included in the meet results.

In this example, Louise Keetley entered the 1500 Meter Freestyle event at the Dallas Aquatic Masters Summer LC Meet. She filled out a Split Notification Form to request that a split time be recorded for her 800 Meter time.

To enter a split request, log in to the Meet Results tools at: <http://www.usms.org/usmsadmin/>
