

USMS Registration Committee Policies

USMS Membership Card Policy

It is the policy of USMS that:

- 1) Any member requesting a paper membership card shall receive one at no additional charge.
- 2) Members registering using a paper registration form shall automatically receive a paper membership card unless they affirmatively indicate otherwise. The paper registration form may only contain an opt-out option for the membership card.
- 3) Members registering using the online registration system may opt-in to receive a membership card.
- 4) LMSCs may contract with the National Office to provide membership cards to members.
- 5) The National Office may provide membership cards to members from LMSCs that fail to deliver membership cards in a timely manner. The LMSC shall be responsible for the National Office standard charges for this service.
