**Minutes**

The meeting was called to order at 9:30 pm CDT.

The chair welcomed committee members and guests.

1. The Board requested a checklist be created to help a non-financial person in an LMSC be able to perform LMSC Standard of “bank statement review” procedure. Subcommittee (Elyce and Teddy) created to begin process.

2. The Committee held a discussion of risks to the organization and requested the staff to prepare a risk analysis, to encompass all possible risks, not just financial. Susan requested tabling the risk analysis until the disaster recovery plan is updated (which will be presented to Audit Committee in draft by June). **MSA: Finance Committee recommends that the Board direct the National Office staff to prepare a comprehensive risk matrix.**

3. The Chair noted the financial training used for new BOD training will also be used for new and continuing FC member education.

4. The Chair thanked the members for their participation and engagement during the year.
