 2. FAQ (Changing Member Email Addresses, etc) - Steve
 3. Taking Care of Alerts - Sue
 4. Membership Committee Update - Sue
 5. One Event Registrations - Chris

- Peer-to-Peer Relationship Building Exercise - Kris

- Wrap-Up / Q&A

- Resource Links

Club Registration / Renewal Process

- Club Contact
 - All club contacts must have a My USMS login. In the past, a login wasn't required, and the email address entered during registration wasn't validated.
 - This will allow us to know the club contact is using a valid email address to ensure the USMS and prospective members' communications are being received.
- How will it impact registration this year?
 - You'll have to re-enter the club contact's information, even if it's the same, so the system can validate that person's account status. The current contact's information will be listed on Club Finder until you renew your club.
 - Current club contacts who don't have a login will receive an email in late September to set one up. If you want to change your club contact to someone who isn't a USMS member or doesn't have a login during the year, you can input that person's information, and we'll send an email to help that person set up an account. That person will become the club contact once he or she has completed the process.

Club Registration / Renewal Process

- Club Abbreviations
 - All clubs and workout groups need to have a unique abbreviation. In the past, workout groups in different LMSCs could have the same abbreviation.
 - This will allow us to unify two systems and give us the ability to focus more on servicing our clubs.
- How will it impact registration this year?
 - If a club is affected by this change, they'll receive an email in the coming weeks with further details. If they aren't affected, they don't have to do anything.

Club Registration / Renewal Process

- Locations
 - Clubs will have to enter the following details for all pool locations: location, pool details (e.g., indoor or outdoor), and configuration details (e.g., eight lanes when the pool is set up for long course and 22 lanes when it's set up for short course). In the past, we only required a facility location.
 - Clubs with open water locations will have to enter the following: location and venue details (e.g., whether it's an ocean, river, lake, or another body of open water). In the past, we only required a venue location.
 - This will allow us to better understand your club's facility constraints and event capabilities while helping us build one of the most robust pool and open water databases in the U.S.
- How will it impact registration this year?
 - All past location information will be removed and will have to be re-entered. The current facility location information will still be listed on Club Finder until you renew your club.

Club Registration / Renewal Process

- Coach and Adult Learn-to-Swim instructors
 - All coaches and instructors must have a My USMS login. In the past, a login wasn't required and the email address input during registration wasn't validated.
 - This will allow us to know the coaches or instructors are using a valid email address to ensure USMS and prospective members' communications are being received.
- How will it impact registration this year?
 - If any of your coaches or instructors aren't USMS members, their information will be removed and will have to be input again. Once their information is entered, we'll send them an email to set up their account. The current coaches and instructors who are members won't see any change.

Encouraging USMS Clubs / Workout Groups to keep their Club Dashboard up to date

- ***What USMS initiatives are populated with information from Club Dashboard?***
 - Club Finder Page
 - Gold Club Application
 - Inclusion in 30 day trial membership form
 - Inclusion in Try Masters Swimming participating clubs and workout groups*
 - Inclusion in USMS Fitness events*

*Prior to initiatives beginning, confirmation of club and workout group participation will be confirmed.

Even if a club or workout group registers via check or cash, we should encourage them to fill out Club Dashboard and to keep it updated.

Updating Member Information

- Membership Information that *can be updated by member within members' MyUSMS page*
 - Name
 - Address
 - Primary email address for USMS communication
 - Phone number
 - Membership interests (ALTS, Health & Fitness, Triathlon, Open Water, Competition)
 - Gender Identity / Race Ethnicity (optional field)
- Membership Information that *must be updated by LMSC Membership Coordinator / USMS Membership Services:*
 - Club Affiliation

Donation Letter Printing Tips

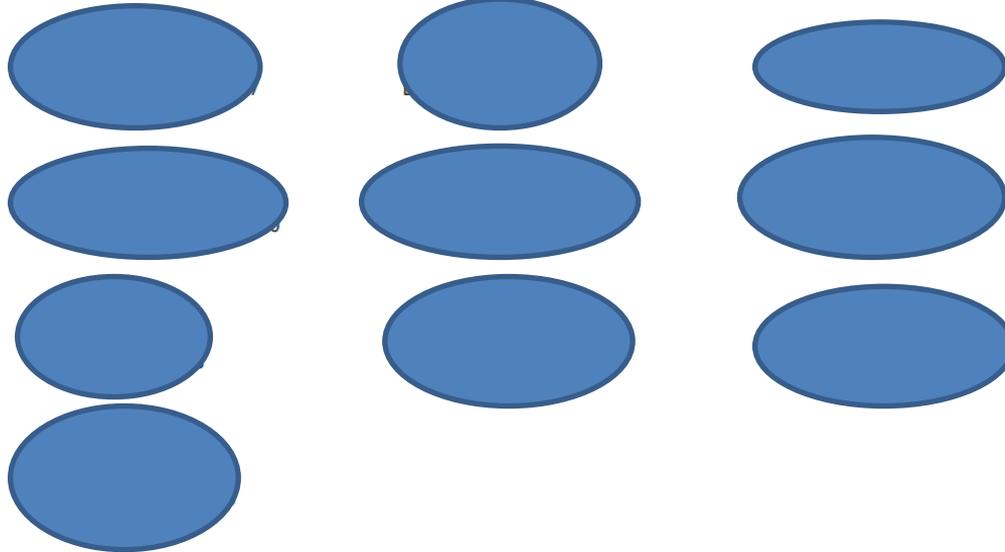

This area deals with LMSC donations only. The national office mails donation letters to those who have donated to the Swimming Saves Lives foundation and provides donation details to ISHOF so that they can acknowledge their donation receipts.

You can control whether your LMSC donation letter is printed on USMS letterhead or not and create a custom signature for your donation letters via your LMSC card and donation letter settings.

When printing, in the print pop-up window be sure to set:

- Page Scaling: **None**
- Auto-Rotate and Center: **unchecked**
- Choose paper source by PDF page size: **checked**

Membership Committee Update

- 2021 Projects
 - Revising the Guide To Local Operations (GTLO) in regards to membership coordinator information
 - discussion on the future of the committee

One Event Registrations (OEVT) - General Information

- LMSCs have the option to offer one-event registrations at events sanctioned by their own LMSC. A one-event registration provides USMS insurance coverage to a participant in one "event" (open water race or pool meet). An event that spans consecutive days, such as a two-day swim meet, counts as "one event." One-event participants pay a one-time fee.
- **One-event registration is strictly for insurance coverage for the event. One-event participants are not eligible for Event Rankings, Top 10, USMS records, or other honors** (either individual or relay) achieved in that event. Per [Article 306.4](#) of the USMS Rule Book, one-event registrations are not allowed for postal events.

One Event Registrations (OEVT) - Process

1. Swimmers fill out OEVT form (during online registration or at race)
2. Race director collects forms and payments - the 2021 unified OEVT fee is \$15
3. Race director enters names into spreadsheet (or exports report from online entries)
4. Race director emails spreadsheet to LMSC membership coordinator
5. Race director mails paper OEVT forms and payments to membership coordinator
6. Membership coordinator emails spreadsheet to National Office
7. Membership coordinator files OEVT forms with other paper registration forms
8. National Office bills LMSC for OEVT registrations (as part of monthly registration invoicing)

OEVT - Your Role

- Keep a separate file of one-event registration applications for a minimum of ten (10) years.
- You may choose to assign a special one-event registration number to each member and add it as a column in the example above. As an example, XX for the LMSC ID number, Y for a year, the % sign, then a sequence, 139%-0001 for LMSC 13 (NC) for the first One Event Registration in 2019. For the registration date, use the date of the event in which the one-event member participated (use the first day's date if the event spanned more than one day).
- Contact each OEVT member as soon as possible after the event. Extend an invitation to convert their OEVT membership into a full USMS membership, with a credit for the \$15.00 that was already paid for the OEVT registration. Make sure to say that this conversion is only available for 30 days after the date of the OEVT registration, and that the member will have to mail a check for the difference in price to the LMSC membership coordinator.

OEVT - Your Role

- Each one-event registrant should be provided with a packet of information to highlight the benefits of joining USMS. Included in the packet may be any of the following:
 - Informational brochure from USMS and any material describing the LMSC's activities (e.g., a sample newsletter or local brochure).
 - A membership reduction coupon to be used toward offsetting the annual cost to USMS. The membership coupon would be valid for only 30 days after the date of registration, which will be indicated on the coupon by the meet director. The value of this coupon will be determined by each individual LMSC and redeemable only in the LMSC of issue.
 - Registration form for that particular LMSC for full membership.

OEVT - Your Role

- If any members convert, register them as full members in the registration software. Take their previous \$15.00 payment and include them in your registration deposit, along with the check they sent for the difference in price.
- After 30 days have elapsed since the event, submit the remaining OEVT registrations to the National Office by emailing the spreadsheet to volunteer@usmastersswimming.org.
- Do not send any money or registration forms. The National Office will bill the LMSC as part of the monthly accounting process.
- A one-event member converting to a full membership may only do so within the same membership year. In other words, a member could not register with a one-event membership in October, 2020, and convert that to a full 2021 membership in November, 2020 at the reduced (offset) cost for a 2021 membership.

OEVT - Suggested Process

Situation A: Only online event entries

1. Swimmer enters meet online
2. Swimmer indicates that he is also purchasing an OEVT registration
3. Swimmer electronically signs waiver
4. Meet director downloads spreadsheet from online registration system
5. Meet director sends spreadsheet to LMSC membership coordinator
6. Meet director sends check for OEVT registrations to LMSC membership coordinator

OEVT - Suggested Process

Situation B: Both online and paper event entries

- Online entries:
 1. Swimmer enters meet online
 2. Swimmer indicates that they are also purchasing a OEVT registration
 3. Swimmer electronically signs waiver
- Paper entries:
 1. Swimmer enters meet on paper form
 2. Swimmer fills out paper OEVT registration form
 3. Swimmer signs paper waiver
- 4. Meet director downloads spreadsheet from online registration system
- 5. Meet director manually adds paper OEVT registrations to spreadsheet
- 6. Meet director sends spreadsheet to LMSC membership coordinator
- 7. Meet director sends check for OEVT registrations to LMSC membership coordinator

OEVT - Suggested Process

Situation C: Only paper event entries

1. Swimmer enters meet on paper form
2. Swimmer fills out paper OEVT registration form
3. Meet director manually creates spreadsheet from paper OEVT registrations
4. Meet director sends spreadsheet to LMSC membership coordinator
5. Meet director sends check for OEVT registrations to LMSC membership coordinator

P2P Relationship Building Exercises

- We want to connect each LMSC Membership Coordinator with 1-3 Peers in other LMSCs
- Fill out online survey (email forthcoming to all LMSC Membership Coordinators with link)
 - Your contact info
 - Are you:
 - Very experienced (interested in being a mentor)
 - Not experienced (interested in being a mentee)
 - “Regular” experience (interested in having/being a buddy)
 - LMSC Info:
 - Number of Members
 - Do you have a “regional club” in your LMSC?
 - Does your LMSC allow One Event Registrations (OEV)?
 - Any challenges?
- LMSC Development will send you contact information for your Peer(s), along with some suggested conversation starters – we recommend you do a phone call in the next 30 days to get to know each other, then do a follow up in 3 months, and whenever you need a ‘buddy’ to talk to about being a Membership Coordinator
