2013 events

There is interest in a 10K OW in McCall

We will again host the Broadside Harbor swims on June 15 and the Dam 2 Dam in August.

Oliver Cleaver has agreed to organize small meets once/month. His next organized swim meet will be Feb 9, 2013. Jane Wright has volunteered to help him.

Snake River is not on the Zone Website.

There was a discussion about Snake River merchandise: sweatshirts, T-shirts, swim caps. Would we like to have merchandise available for the whole LMSC or just for the individual clubs? Is anyone good at artwork or knows how to get it done or is interested in pursuing this? Some of us have gone to swim meets and OW swims out of our area and we would really like to have something to wear that says "Snake River" or "Sawtooth Masters." Please volunteer to help to Paula Moores.
