New Business/ Open Discussion

Aaron led the group in a wide ranging discussion of how the LMSC supports club development, officials development, swim events, and coaching clinics. Brendan Duffy (ACD1M) would like to add a Long Course Meet to the schedule in October. It was suggested that the LMSC support a future Coaching Certification Clinic like the one the LMSC did in 2024 at the Fairmont Pool. (Follow-up??). Anna Forest and Bruce Schroeder will follow through with Karlyn Pipes who has offered to do a Faster Freestyle Clinic in July 2026. Megan Kawaguchi volunteered to become the new "Sanctions Chair" replacing Aaron Norton. Anna Forest will assist Megan in how the process works.

Board Meetings in 2025-26. Only 1 LMSC board meeting was held in 2025. Next year we would like to hold meetings quarterly. A schedule of in person/virtual meetings will be created by Aaron. Each meeting will be hosted by club representatives who are available to create the agenda and manage the meeting. Megan (QUAC) offered to host an in person meeting February 28, 2026. Bruce will make Zoom arrangements for future virtual meetings.
