Swimming for Life! • www.usms.org

Fall 2007

Greetings from the National Office...

Congratulations to our newly elected Treasurer – Jeff Moxie. Appointed Committee Chairs: Heather Hagadorn, Editorial/Publications Committee; Ralph Davis, Finance Committee; Anthony Thompson, International Committee; Chris McGiffin, Marketing Committee; and Ed Tsuzuki, Records and Tabulations Committee. New Liaisons and Special Assignments: Laura Kessler, National Board of Review Chair; Leianne Crittenden, Oceana Zone Rep; Jill Gellatly, South Central Zone Rep. You will find the minutes from all the convention meetings on the USMS web site at www.usms.org/admin/conv07.

We are into a new registration year as of November 1. The registrars are one month into using the new on line registration program. A huge thank you to George Simon, Julie Heather and Leo Letendre as well as Dan Wegner and Julie Austin from Club Assistant for their time and effort into getting this new system up and operational. Another huge thank you to the LMSC registrars for their efforts and patience through this process. We hope to have this system ready for individual registrations soon.

Please note—501.2 Mandatory Memberships (Rule Book page 83) – All members of the House of Delegates and Board of Directors and all members of any committee of the corporation (which includes LMSC officers) shall hold an individual membership of the corporation. Please be sure all of your LMSC Officers are currently registered! Check the listing of officers listed for your LMSC on the USMS website at www.usms.org/lmsc/lmscofficers.php and send changes and updates to me at usms@usms.org.

Club registrations are due for 2008. The club must be registered before any new 2008 member can join. For those clubs that need a certificate of insurance, I'm including the Certificates On Line instructions later in this newsletter.

The LMSC Handbook is in the process of being updated. Once completed it will be posted up on the USMS web site at www.usms.org/admin/lmschb. Full Handbooks will be sent to the Chairman and Registrar from each LMSC. Sections will be e-mailed (or snail mailed if preferred) to the appropriate LMSC Officer.

Hope you all had a great Thanksgiving. I wish you happy shopping this holiday season.

Tracy

Rules Corner

By Kathy Casey, USMS Rules Chair

Major Changes or clarifications affecting swimming rules as passed at Convention (rule changes are effective January 1, 2008):

1. For breaststroke kick, the words “while wholly submerged” have been deleted from “After the start and after each turn, a single butterfly (dolphin) kick, which must be followed by a breaststroke kick, is permitted during or at the completion of the first arm pull.” (101.2.3, page 2)

2. Relevant rules for recognition will be listed in 202.2.1E (page 54) and include the following: Article 101 (Starts, Strokes, and Relays) or Article 108 (Swimmers with a Disability); Article 103.12.3 (Timing Resolution); Articles 103.13.1, 103.13.2, 103.13.3, 103.13.4, and 103.13.6 (Official Time); Articles 105.1, 105.2.1, 105.2.2A, 105.3.2, 105.3.7A, and 105.3.10 (Records and Top 10 Times); and Articles 107.2.1, 107.2.3A, 107.3, 107.11.1, 107.11.2, and 107.13 (Minimum Standards for Facilities). Contact Kathy Casey (rules@usm.org) for a detailed explanation.

3. At recognized events, relay leadoff split times that conform to 103.13.1 and 105.2.2A will be recognized for events listed in 102.5 (USMS membership is not required for the other members of the relay team, and the relay event itself need not conform to 102.5). This will be included in 202.2.1E, relevant rules.

4. Times from nonconforming events will not count for USMS records and Top 10 times (202.1.1F[3], pages 53-54) except for initial distances and relay leadoff split times for distances that are also events defined in 102.5 (page 7). For example the leadoff split time for a 50 fly from a 200 butterfly relay (a nonconforming event that has been announced in the meet information and entry form) could count as an official time, but the time from the 200 butterfly relay does not count for an official time since that is not an event listed in 102.5. For an individual event, the 200 initial distance of an 800 breaststroke event could count as an official time, but the 800 breaststroke time does not count for an official time.

How does your LMSC or meet hosts do at running meets according to the rules?

1. Is the primary timing system a fully automatic timing system, 3 semiautomatic buttons per lane, or 3 watches per lane in order to meet national and world record requirements?
2. Are 50-meter split times at long course meets recorded by fully automatic timing? (Remember, 50-meter split times recorded by 3 watches count only for World records.)
3. Is the referee a certified official?

4. Are timers assigned to every lane?

5. Are the pools measured and certified for proper length?

Question: If the primary timing system is two semiautomatic buttons but two watches were added for a particular swim, can that swim count for a national or world record with two semiautomatic button times and two watch times?

Answer: No. National and world records require 3 buttons or 3 watches if fully automatic timing is not the primary timing system (103.13.3, page 25). Exceptions to this occur only when there is a primary timing system malfunction (fully automatic or semiautomatic), and the rules include clear procedures for adjusting times due to such malfunctions (103.12.4C, D, E, and F, pages 22-24).

For any questions about rules contact Kathy Casey, USMS Rules Chair, rules@usms.org.

Help Needed Searching for Results

The History and Archives Committee and the Open Water & Long Distance Committee are searching for results and missing date and location information for the AAU Masters and USMS Masters Long Distance National Championship Events listed below. 2008 World Championship Training Camps

Come join us for team camaraderie at one of our several training camps.

The training camp program is designed for dedicated Masters Swimmers who are committed to advancing their performances and skills. This program is offered to Masters Swimmers and coaches who will be attending the XII FINA World Championships in Perth. Pool time will be dedicated to conditioning and technique improvement. Swimmers will train in 50m pools and attend one to two workouts a day training and getting to know fellow swimmers and coaches. This program has been made possible through the combined efforts of the USMS FINA World Championship coaching staff.

New USMS 25K Championship

On Saturday July 19, 2008, USMS will hold it's first ever 25K Championship in Noblesville, Indiana. Both a solo and relay race will be held in Morse Reservoir. All solo participants will need to submit an application that demonstrates their ability to complete the distance. Relays will consist of 5 members, with each member swimming a complete 5K. The number of solo and relay entries will be limited. More information will be available shortly at www.USMS.org/longdist.

USMS Endowment Fund

FROM LITTLE ACORNS, MIGHTY OAK TREES GROW!
In just over 10 years, from the birth of the USMS Endowment Fund as a concept worth considering to a reality that is growing daily, the Endowment Fund is approaching total funds of nearly \$300,000.00! In addition to the initial direct funding from USMS, the one dollar check off and personal contributions in memory or honor of an individual, the investment earnings have been substantial. Last year, our earnings on investments were over 16 percent! As the Endowment Fund grows, the opportunity to provide significant grants to worthy applicants grows along with it. With a suggested annual spending rate of five percent, we are now in the wonderful neighborhood of providing a significant amount of money to assist qualified programs. Please keep in mind both the potential for grants (check out the materials on the USMS website) and the value of a donation to the Endowment Fund as a special means of honoring or remembering a USMS member. If you have any questions concerning the Endowment Fund, please contact me! DChurch@cchalaw.com

Rule Books

Each LMSC receives 1 complimentary Rule Book and that is sent to the Registrar. If your LMSC would like to order one or more 2008 Rule Books or Mini Rule Books, please send your order into the National Office before December 15th. Those orders received will have their rule books shipped directly from Gateway as soon as they are ready.

USMS Brochures

Could I Be A Masters Swimmer? and Add Value to your Aquatic Facility are available at the USMS National Office. The Brochures are free, you just pay for postage (100 fit in a flat rate, USPS Priority Mail Envelope for \$4.60). Contact the National Office for postage rates on larger quantities.

USMS Planners

USMS Planners will soon be available at the USMS National Office. Members of the USMS Marketing Committee are revamping the planner and it will be BETTER THAN EVER! The Planner is an invaluable resource for keeping track of your swimming activities and progress, as well as a calendar for recording workouts and schedules. Valuable coupons from our sponsors, found in the back of this Planner will save you money on your swimming necessities. The Planner is free, you just have to send a self addressed stamped (\$.58) envelope (5 x 7) and upon receipt, a Planner will be sent right out to you.

Are you a coach? Are you hosting a meet? Order in quantity and give them out to all your members/participants. Contact the National Office for postage fees.

Passings

Jack Buchanan

Jack was a teacher and coach at Englewood High School in Colorado and founder of Colorado Masters Swimming. He hosted the first Colorado Masters State Meet in 1972, and he took a team to nearly all of the national meets since 1974. He served USMS on many national and local committees. He loved people and never knew a stranger. Jack's warm heart, beaming smile, unwavering friendship and enthusiasm for life will be missed by all. Jack is survived by his wife Peggy, two children, four stepchildren and a brother.

Paul Fortoul

With sadness, the Board of the Metropolitan Local Masters Swim Committee announce the passing of Coach Paul Fortoul on Saturday December 8, 2007 from rapid onset complications of a serious illness diagnosed a few months ago.

Paul was a constant presence in both the Metropolitan LMSC and LSC as well as the serving the national governing bodies for more than three decades. He deeply affected both the masters and age group athletes he coached. Few have served the swimming community in our area and in the gay/lesbian aquatics movement in such an enduring way.

Insurance Certificates On line

Proof of insurance for USMS Clubs.

A location your club is swimming at might ask you to be added as additional insured to your policy. You can now process this request yourself directly over the Internet 24 hours a day, 7 days a week. Please call Carmen Van Boening at 1-800-777-4930 # 10 with any questions. Make sure that you are online when calling, so Carmen can guide you through the program

Go to www.certificatesnow.com

1. Enter your User ID - 2 digit LMSC number, a dash (-), your 3 digit club number (Example - xx-xxx)
