#### NOTE:

A note in the November – December 1979 Swim-Master indicates there were some names and times omitted from the results sent to Swim-Master. Only a copy of the nationals results was received by Swim-Master for publication. The note indicates that June Krauser's second place time and listing is missing from the women 50-54 200 m freestyle.

Nationals relay results are incomplete. The Men's 200 meter freestyle relays were missing from the results. Also note that the relay names are last names only and some of those are truncated or missing. The only mixed (coed) relay event at Nationals was the Mixed 200 freestyle relay. There was no mixed medley relay event.
