

## **MEET RESULTS**

**1995 United States Masters Swimming  
National Long Course Championships  
August 24-27, 1995**

**September, 1995**

**Oregon Masters Swimming wishes to thank all who attended the 1995 USMS National Long Course Championships at Mt. Hood. We hope you enjoyed yourself, had some good swims, and made some new friends. That's what it's all about.**

**Our group sure had a great time being your host. We take a lot of pride in putting on a first class event. The positive feedback and compliments keep coming in. The kind words are very much appreciated and confirms that we did a great job.**

**Oregon Masters set the standard for Masters National Championship meet organization and operation in the 1980's and from this meet we will pass on some outstanding new ideas to future meet hosts. It is our desire to see these events continue to improve.**

**We hope to see you next year in Cupertino, California and Ann Arbor, Michigan.**

**Thanks again,**
