Long Course Meters  
**2009 Top Ten**

and Long and Short Course World  
Records as of November 1, 2009

# CONTENTS

The 2009 Long Course Meters Top Ten is the second issue in a series of three 2009 Top Ten issues produced by United States Masters Swimming. Inside you will find the top ten times for the 2008-2009 Long Course Meters (swims performed in a 50 meter pool) made on or before September 30 and forwarded to the National Swims Administrator, Mary Beth Windrath, by October 20, 2009. Each LMSC is responsible for reporting the Top Ten Times, USMS national records, and world records achieved in its LMSC. The table below indicates each of the three courses and the dates for publishing the Top Ten results.

The first line under each event (which is in all caps and italicized) is the current national record for that event and age group. An "NV" after a top ten time indicates that appropriate documentation has not yet been supplied and the time is Not Verified as a record.

## Top Ten Patches
