

# Long Course Meters **2012 Top Ten**

and Long Course World Records  
as of September 25, 2012

# CONTENTS

The 2011-2012 Long Course Meters Top Ten is the second issue in a series of three 2012 Top Ten issues produced by United States Masters Swimming. Inside you will find the top ten times for the 2011-2012 Long Course Meters season (swims performed in a 50 meter pool) made on or before September 30, 2012 and forwarded to the National Swims Administrator, Mary Beth Windrath, by October 20, 2012. Each LMSC is responsible for reporting the Top Ten Times, USMS national records, and world records achieved in its LMSC. The table below indicates each of the three courses and the dates for publishing the Top Ten results.

The first line under each event (which is in all caps and italicized) is the current national record for that event and age group. An "NV" after a top ten time indicates that appropriate documentation has not yet been supplied and the time is Not Verified as a record.

Once the SCM Top Ten is finalized, the official 2012 All American Roster will be produced. A swimmer/relay who has the top time in one or more events in any one of the three courses qualifies for All American status. Individual All Americans will be sent

a congratulations letter from the USMS National Office. To order an All American Certificate and Patch, send a check for \$5 made out to USMS to: USMS Membership Office P.O. Box 185 Londonderry, NH 03053-0185
