

Long Course Meters
2014 Top Ten

and Long Course World Records
as of September 30, 2014

CONTENTS

The 2014 Long Course Meters Top Ten is the second issue in a series of three 2014 Top Ten issues produced by United States Masters Swimming. Inside you will find the top ten times for the 2013-2014 Long Course Meters season (swims performed in a 50 meter pool) made on or before September 30, 2014 and forwarded to the National Swims Administrator, Mary Beth Windrath, by October 20, 2014. Each LMSC is responsible for reporting the Top Ten Times, USMS national records, and world records achieved in its LMSC. The table below indicates each of the three courses and the dates for publishing the Top Ten results.

The first line under each event (which is in all caps and italicized) is the current national record for that event and age group. An "NV" after a top ten time indicates that appropriate documentation has not yet been supplied and the time is Not Verified as a record.

Top Ten Patches

Each person (individuals and relay members) on this list is eligible to purchase a Top Ten patch with stroke segment. To order: Make checks payable to Lake Erie LMSC. Go to http://www.usms.org/comp/tt/tt_patch_form.pdf, print and complete the order form and send your information to:

a congratulations letter from the USMS National Office. To order an All American Certificate and Patch, send a check for \$5 made out to USMS to:
USMS Membership Office
P.O. Box 185
Londonderry, NH 03053-0185
