Course Type	(SCY, SCM, LCM, or Open Water) Open Water
Course meets length requirements	(Yes/No) No-open water swim (?) Measured using GPS
Sanction Type	(Sanction, Recognition, None) Sanction
Event Country	U.S.
Event LMSC	Indiana
Event Start Date	08/17/2019
Event End Date	08/17/2019
Event Title	2019 ENDLESS SUMMER BEACH SWIM
Series Title (optional)	
Description of Event (optional)	Swim along the shoreline of the beautiful southern Lake Michigan. This is a perfect swim for those doing their first Open Water Event (weather permitting) as you can swim close to shore in waist deep water. The more competitive swimmers can swim in the deeper and faster waters 50 feet off shore. This is a perfect family and spectator event as your cheerleaders can walk along the beach to motivate the swimmers. Choose either a 1.2 mile (1/2 ironman) or the 2.4-

|	
	mile (full Ironman) straight line course. The average water temperature at this time of the year is between 70-80 degrees with air temps 80-85+ degrees. After the swim stick around as we will grill out in the park for all swimmers, family and friends. We will also have beach volleyball nets set up and other great activities for the family. Last year swimmers were treated to special start of the race with the Planes from the Chicago Air-Show; this event is timed to take place at the same time. All swimmers who entered will receive an event Tee-shirt! This is also a great warm-up to the Big-Shoulders event in Chicago!!!

Swim a 1.2 or 2.4 mile shoreline beach swim in Lake Michigan followed by a Swimmer and Family beach picnic. Watch the planes fly over for the Chicago Airshow. Great practice/warm-up for Big Shoulders in Chicago!

We would like to use Club Assistant for sign ups along with paper entries. Could Karen please set this up for us and ask for Tee shirt sizes and allow One Event entries?. SEE YOU AT NEXT YEARS
