

WHITEFISH & OFF PISTE AQUATICS MASTERS SWIM CLINIC
July 30, 2021, 4-6pm

Covid-19 Safety Plan

Check-in, Screening and Face Coverings: A table will be set up at the entrance where swimmers must turn in their [Attendee Screening Form](#). The form will be emailed in advance of the meet to all entered swimmers for them to print out and fill prior to arriving. Copies will also be available at the check in desk. A temperature check will be taken. Masks will be handed out to any person (participant, volunteer or staff) who does not have one. **THERE WILL BE NO SPECTATORS ALLOWED.**

Per CDC guidance (updated May 13, 2021), attendees who have not been vaccinated will be required to wear a mask covering the nose and mouth at all times except while swimming.

Social Distancing: Swimmers will be asked to practice social distancing with anyone who did not arrive with them in the same car or within their family group.

Clinic Procedures: Swimmers will be spaced at a safe social distance during the clinic with a limit of 4 swimmers per lane. Swimmers will need to continue to maintain social distancing at all times during the clinic. Swimmers will not be allowed to congregate on the walls or on the deck.

Facility: The bathrooms and changing rooms will be available, but swimmers will be asked to limit numbers in the bathrooms and changing rooms at all times and to minimize their time inside.

Additional information: Due to capacity limits, the clinic is limited to 24 swimmers.

Post meet notification protocol: All swimmers, volunteers, officials and staff are asked to notify the Clinic Director, Katie Glenn, at offpisteaquatics@gmail.com immediately if they test positive for Covid-19 within seven days after the clinic. Katie will then notify all participants as well as the facility staff.
