Meet Conduct: Current USMS rules will be used. Scoring will be to ten (10) places. In water starts will be allowed for all events.

Warm-up/Warm-down Procedures: Pull-buoys, kickboards, fins, hand paddles, and snorkels are not allowed in the competition pool or warmup pool(s). Swimmers must enter the pool feet first in a cautious and controlled matter. Diving shall be permitted only in designated lanes at designated times. During warm-up periods, both the 10 lane, 25 meter side of the pool and the 10 lane 25 yard side of the pool will be open. During the meet, at least 10 lanes in the 25 yard side of the pool will be open for warmup and warmdown.

Awards: Team awards will be given to the top three (3) South Carolina teams only. High point awards require entry in at least four (4) individual events and will be given for each age group (men and women). There will be no ribbons or time stickers in order to cut down on shared spaces and items at the pool.

Refunds: There will be no refunds given for the meet unless the meet is cancelled due to COVID-19, in which case participants will be refunded minus Club Assistant's fees.

Questions: Contact Erin Sizelove at erinmoro@yahoo.com or Doug Fetchen at dfetchen@northcharleston.org.

COVID-19 Safety Plan

The Aquatic Center has bleacher seating for more than 1,000. Face coverings are currently required by the facility. If they are still required at the time of the meet then all participants will be required to wear them except when behind the blocks and in the water. The locker rooms and facility are cleaned overnight. The bleachers, chairs and door handles are also cleaned after every session is finished for a meet. All attendees will enter from the front door. Anyone experiencing COVID-19-like symptoms must not compete or enter the facility.

All spectators and volunteers in the facility must have face coverings on at all times unless this mandate is lifted by the City of North Charleston. Any individual that refuses to have a face covering will be asked to leave the facility.

The competition pool has 20 lanes for warm-up. There are an extra 8 x 25 yard lanes in the therapy pool that may be utilized at certain times during the meet. A minimum of 10 x 25 yard lanes will be available for warm-down during the meet.

The main concession area will be closed. Participants should bring their own snack and drinks.

There are 4 main bleacher sections that seat 250 each. We also have 3 row bleachers on the opposite side of the pool. There are multiple rooms available off the deck for officials, coaches and timers meetings. There is plenty of space around the facility for those that would like to sit outside weather permitting.

Only one additional heat for individual events will be allowed to congregate behind the blocks. Relays will be seeded every other lane. The entire relay heat will leave the starting area before the next heat can line-up.

Attendees should notify the meet director should they test positive for COVID-19 within the 14 days following their attendance at the event. Depending on the specific details of the situation that arises the coach of record for the club that may have individuals impacted will be notified.
