Time Magazine.

NEWS RELEASE

Washington, D.C. -- An NSPI press conference at the Americana Hotel during the November 21-23 Fall Trade Show revealed that the National Swimming Pool Institute does not consider the White House Pool project closed - or even postponed.

Despite a White House decision several months ago to postpone NSPI plans to build a swimming pool and physical fitness center at the White House, the swimming pool association says it will go ahead with the project by rejuvenating the effort to raise the estimated \$300,000 required by the project.

"The White House decided to postpone the pool construction due to the nation's financial situation and a desire not to use the tax-payers' money, "William P. Markert, NSPI director of communications, told reporters."

"But we believe the President needs a pool and we intend to give it to him."

Markert quoted a recent issue of Nation's Business, in which Dr. William Lukash, White louse physician, commented on the state of President Ford's health and emphasized the need for the President to be able to continue his habit of swimming daily.

The volunteer fund-raising effort is a project of pool industry and aquatic field personnel who believe swimming should be promoted despite the condition of the national economy - or even because of it.

Among groups already participating in the fund raising drive, in addition to NSPI, are the American Swimming Coaches Association, the Amateur Athletic Union, the U.S. Olympic Committee, Masters Swimming Committee and the Council for National Cooperation in Aquatics. Other organizations representing the aquatic field as well as service clubs are being approached for their assistance.

Any funds raised in excess of the amount needed to complete the presidential physical fitness complex will be donated to the U.S. Olympic Committee.

At the press conference Markert previewed plans for the fitness center by using artists' renderings. There was also a display of the proposed project in the Fall Trade Show.

NSPI and the volunteers plan extensive efforts to involve the swimming pool industry, related aquatic groups and the general public in contributing to the project, Markert noted Among those attending the press conference were representatives of major industry and consumer magazines including American Home, Building Supply News, Parents Magazine, Family Circle, Mechanics Illustrated, Toys and

Markert pointed out that the NSPI offer last August to build a White House pool at no expense to the taxpayer still stood. He said the initial offer of \$40,000 to \$50,000 soon proved inadequate to the situation although that amount now remained budgeted for the pool part of the larger complex.

The projected White House pool is 20 x 42 feet, somewhat larger than the FDR pool built in the 1930's and covered over by President Nixon in 1969 to make way for a press room. The pool also includes a hydrotherapy area set off to the side of the rectangular pool.

The Physical Fitness Complex will be located a short distance from the Oval Office and will be accessible either through an underground passageway or over the White House grounds. The entire facility will be below grade. A translucent top will be used over the pool, however, to allow light into the pool area. Sliding glass doors will provide access on the east side to a small patio which will be protected from line-of-sight vision by a natural grade and extensive use of landscaping.

The pool will be surrounded by a large deck suitable for small state entertainment functions. In the adjacent dressing room there will be both an exercise area and sauna. The facility will be attractively decorated and use a multi-level interior garden to add additional beauty and comfort to the room.

"The facilities, when completed, should be classic beauty that is both functional and private and usable for many Presidents to come," Markert said.

He stressed the importance to the swimming pool industry of placing the emphasis for the project on physical fitness.

"The swimming pool industry has chosen for too long to emphasize the recreational and

glamour aspects of swimming to the exclusion of the otentimes more important physical conditioning aspect," Markert said.

He related that President Roosevelt found the White House pool excellent therapy for the results of his bout with polio and that President Kennedy swam regularly to strengthen his back.

"The first White House pool was a gift from hundreds of thousands of children who contributed their pennies," Markert recalled.
"Now we have the opportunity to promote the pool industry while contributing to the health and well-being of the American President."

He called on NSPI members and their employees to donate to the project. Many of these donations are expected from member firms in the form of equipment. But additional corporate and individual donations are encouraged.

"Our private goal within the industry, Markert noted, "is to raise enough money to pay at least for the pool, pool equipment and that phase of the construction relating to it. That's about \$50 to \$60,000 in the present plan."

All donations are tax deductible and should be sent to:

The White House Pool Fund P.O. Box 81 Washington, DC 20044

EDITOR'S NOTE: At a Swim Coaches dinner during the recent Ft. Lauderdale College Swim Forum, \$1 was collected from everyone to be sent to the White House Pool Fund. In some way we would like to estimate the contributions sent by Masters Swimmers. If you contribute, and we sincerely hope that you all will, if you could send me just the amount on a piece of paper noting contibution to the White House Pool Fund, we will see how much Masters Swimming can come up with.

LACKLAND AIR FORCE BASE HOLDS METER MEET

On a beautivul afternoon in December (7 & 8) Lackland AFB hosted a Masters long course swimming meet in an outdoor heated pool. The water temperature was 76° and the pool was sheltered on all sides by a building and wood fencing. It was a well run meet thanks to Neil Wilson; Starter - Dalton Brown; Head Timer - Rene Zeelewberg; Meet Director - Lt. Thomas Brown; and Awards -Kim Wilson. Col. Paul Cleland supplied the timers, three on each lane from the men on the base. There were twenty-one contestants. We have learned that December meets are poorly attended. The three top teams entered were: Texas Gulf Masters. Lackland AFB, and Masters of San Antonio.

Devilfish Masters score high

Three Masters swimmers from Camp Lejeune took part in the Tarheel Invitational swim meet hosted by the Greensboro Swim Association last Saturday.

Barbara Pratt, Betsy Durrant and Rose Marie Hayes were the only Masters from Eastern Carolina in the state-wide meet.

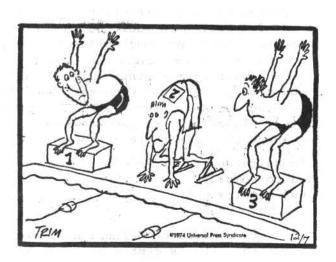

Pratt took three second place awards and one third place in her four events in the 30-34 age group: 50 back, 50 breast, 50 free and 100 Individual Medley.

Durrant took first place in each of her four events in the same age group: 50 free, 50 breast, 100 breast and 100 Individual Medley.

Hayes took first place awards in the 35-39 age group in all four of her events: 50 back, 50 breast, 50 free and 100 back.

The local group operates within the Camp Lejeune Devilfish Swim Team Club, which practices 4:30 to 6:30, Monday thru Friday at the Area 5 Pool.

Coaching the local Masters team is Linda Hayes, former Devilfish Regional and State champion and National Competitor. Marines, dependents, Naval personnel and persons who fall within the age groups are encouraged to participate in this growing sport.

Oak Ridge Showdown

Crews Masters SE Swim Meet

Wins 4 Events

OAK RIDGE (Special)—It was titled the Southeastern Masters Swim Meet—and Dr. John Crews was a master.

Dr. Crews, an Oak Ridge general practicioner and Knoxville native, captured first place four times Sunday at the Civic Center.

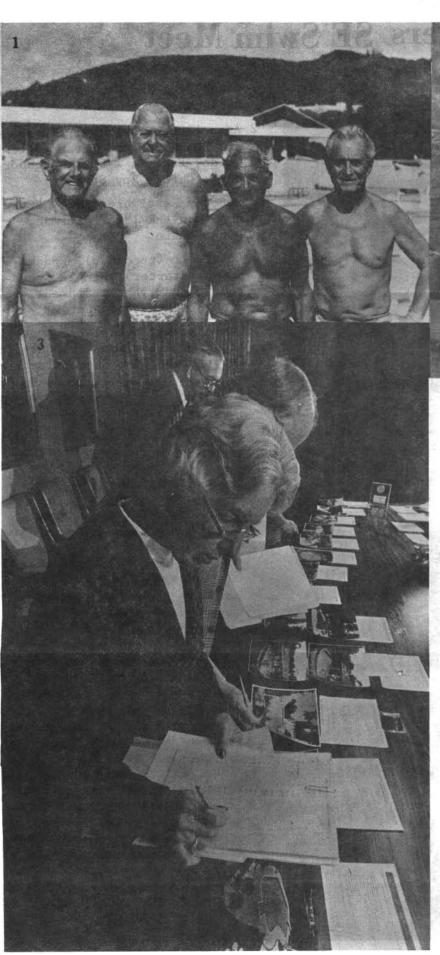

In the 55-59 age bracket, Dr. Crews won the 50 free (26.9), 100 IM (1:12.3), 100 fly (1:10.1) and 500 free (6:16.3). Earlier this year he bettered four national records at Santa Clara, Calif.

- 1 John Crews and Bobbe Smith (Meet Director)
- 2 Association Chairmen: Florida -Bob Beach; Metropolitan - Dick Guido; Pacific - Bill Loughborough; Ohio - Roy Stickney
- 3 Dorothy Ressiguie, 1974 N.C. Chairman and 1975 Chairman, Dick Lortie
- 4 Lois Weir (recorder), Frank
 Homan (starter), Winnie Krogsrud (awards, entertainment, etc)
 Rick Krogsrud (banquet)
- 5 June Krauser and sister Cynthia Bruce recall mutual friends with Peter Lizon from Czechoslovakia

SPORTS SHORTS

- 1 The first 70 year and older relay! These gentlemen swam the 200 yard freestyle relay in 3:08.0. They are members of the Waikiki Swim Club in Hawaii. John Anderson (72), Charles Fletcher (72), Ralph Fletcher (75) and Wally Laury (72).
- 2 Eldin Onsguard of Van Nuys
 was the individual star with a
 new record at Newport Harbor
 High School. Onsguard, a former pilot for World War II General George Patton, broke Buster Crabb's 60-64 age group
 record for the 1500 meter freestyle with a 26:05 clocking.
 Crabbe set his record in 1971.
- 3 Here I am again! Thought you all might like to see me working for a change. We were in Washington, DC in November, judging pools for the National Swimming Pool Institute. There were 11 categories of pools. As you can see, they were judged by pictures. The results will be announced in February.

NATIONAL AAU MASTERS SWIMMING RECORDS SHORT COURSE

HALL OF FAMERS ... (and MASTERS SWIMMERS)

It's time to get in shape! Start thinking now about It's time to get in shape! Start uninking now about your coming to the ISHOF Honoree Induction Ceremonies on Friday evening, May 16th, at 7:00 p.m. The ceremonies will be followed by a 2-hour steak dinner cruise and dancing aboard the FADDLEWHEEL QUEEN, leaving from the Hall of Fame seawall at 9:00 p.m. Swimming Senator Barry Goldwater will be our guest speaker. Virtually every swimming celebrity you can think of will be here, we hope including YOU! we hope including YOU!

The reason we are writing now is that the AAU Masters Short Course Nationals are at the Hall of Fame pool this same May 18-17-18 weekend. Many of you ex-greats still swim and many more should be swimming if you're not. Here is a chance to meet your old friends in and out of the water. Past and present Honorees include many of the World's swim greats who will be here to swim again, or if not, then to watch you swim again. For example, how many of you gals from the 1952 Olympic team would like another crack at the Novak Sisters from Hungary? They're honorees and have been invited. Hungary is this year's Honor Country at the induction ceremonies Friday evening.

further details as to time and place of the ceremonies, famous guests who have agreed to participate, tickets for the dinner cruise, and entry blanks for the Masters meet. Again, the big point of this letter is that you should start working out NOW: you plan to swim.

Masters Swimming is not limited to former champions...it's fun for everyone to participate, to say nothing of meeting so many of your old friends.

The water's fine for Masters swimmers

A nice cool dip in the middle of a hot day is a good way to spend your lunch hour, right? For those IU fac-ulty and staff members and their families who are members of the Masters swimming program, it can be more like doing an hour long mara-

The Masters swimming program, part of the Amateur Athletic Union ago by a navy doctor named Rans Arthur. (AAU), was established four years

ago by a nasy doctor danied kantona Arthur.

Dr. Arthur, a neuro-physician, felt that a program should be established for former athletes who were no longer in college to help them keep in shape. Four years ago he started a program to encourage these former athletes to resume or continue their training. He also intended the program to encourage people to impro their general cardio-vascular condi-

their general cardio-vascular condi-tioning.

The program, which started with only 40 members, totals over 500 nationwide today, and includes beginners as well as former compe-

tition awimmers.

The Masters program at IU is composed mostly of faculty and staff members, many of whom are nationally recognized swimmers, who take their lunch hours and during the lunch hours and during the ser work out at the IU outdoor

pool.
"The basic requirement to join the program is that you be serious about swimming." says Don Glass, who along with Fred Lurie runs the program at IU. "This is not just a recreation thing. You must swim at least 1000 yards a day, and compete in some of the masters competitions which are held in the area each year," he added.

canother requirement for the program is that you be at least 25 years of age or over. The swimmers of 1U range between the ages of 25 and 54, but Glass says the age limit set by AAU is 80.

During the Another requirement for t

During the summer the sw hit the water between 12 and 1:50 nat the water between 12 and 130 p.m., often daily, but during the winter, when Royer pool is their home base, the schedule is less formal "During the winter we can't prac-tice until late in the evening, and

the time is often harder for people to

nake," Glass said.

Glass notes that the competition is secondary in the program, that what is most important is that the meets give the awimmer a goal, something to reach for and to work at.

The competition classes are set up very informally. There is no schedule to most meets there have been also as the competition in severe meets there is no schedule to meet meets there is seen.

special control of the control of th

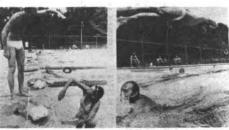

Those swimming in the IU pro gram pay an AAU classification for once a year! There is no charge for the use of the pool by the masters swimmers. Most of the information swimmers. Most of the information about upcoming meets is obtained through either being on a mailing list, or ads about competitions list in Swimmaster, the AAU magazine which members can subscribe to.

Several of the IU wintmers received top ranking during 1973 meets
for their efforts, Some of the ranking
for their efforts, Some of the ranking
for long and short course are: 1650
free style, ages 25-29, 8th place Kare
Larson, and 9th place Janet Morris;
1650 free style, ages 35-39, Dina
Zinnes, 4th place; 100 backstroke,
ages 35-39, Dina Zinnes, 8th place;
400 freestyle, ages 35-39, Mira Glass,
9th place; 1500 freestyle, ages 25-29,
Bob Larson, 10th place; 1500 free,
ages 50-54, Doc Counsilman, 2nd
place; 200 breast, ages 50-54, 1st place,
Doc Counsilman; 200 individual
medley, ages 50-54, 2nd place, Doc
Counsilman; Several of the IU swimmers re-

ng, piano technician from the IU Music School, works on his brea

Brushing up on touch and go relay are Glass (in the air) and Kenneth Majer from the School of Education

Best Wishes for the New Year

Caltech Masters Collect Dividend

By GLENN PARSONS

The basic objective of the Caltech Masters Swimm Club is health through exercise.

But little can be found wrong with winning a national title on the side . . . so that's exactly what the Caltech Club did.

"It's nice to win in competition, but our ultimate goal here is to improve the quality of life with exercise," club coach Scott MacCluer contends.

That, however, became a bit hard to believe when he led his men's team to the National AAU Masters Long Course Championship at the Santa Clara International Swim Stadium earlier this month.

"Masterrs swimming in the United States is about six to eight years old, so it has had time to grow," MacCluer commentd. "There were almost 100 clubs from all across the country at this year's championship meet in Santa Clara."

And out of all the competition, MacCluer's men's team, led by San Marino High School swim coach Bert Kanner, emerged to capture first place, his women's team was third, and combined, the club finished third.

"We got good efforts from everyone to do as well as we did," MacCluer pointed out, "but Bert was just incredible. He got in the pool seven times and each time he got out he had another national record for the 35-40 age group."

Kanner set national individual records in the 1500, 400, 200, and 100-meter freestyle and the 100-meter butterfly. He also anchored the 200-meter freestyle and 200-meter medley reliay teams for national

Other outstanding team performances was turned in by Linea Palmer, wife of Alhambra High swim coach Neil Palmer, who won a pair of women's events; Scetty Roberts, a commercial airline pilot from Irvine, whose four 35-40 divisional goal medals included legs on two relay teams; and Dr. George Hill of Rolling Hills, who won the 30-35 age group's 200 and 400 freestyle events.

In addition, Chris Morgan set a national record in the women's 50-meter freestyle

"This performance is really incredible when you consider we started this program at Caltach last year with only five swimmers." MacCluer remarked. "Now we have about 70 people on the roster, all from age 25 to 60."

The club's mens team also won the Southern California Invitational at USC in March, but MacCluer, who also serves as Director of Athletics at Pasadena's Mayfield private girls high school and coach of the Valley Hunt Club in Pasadena, continues to believe the primary goal of his program at Caltech is other then winning trophies.

"We have many people on our roster who only desire to swim for their health without the competition," he explained. "One of our swimmers was suffering from cardiac problems when he joined the club, but now has a great condition similar to that of anyone in the top third of his age group.

Others on the roster swim competitively, but don't necessarily win trophies. Instead, they work on lowering their personal times and are very successful."

And that's what it's all about.
"This is the key to our program here." MacCluer reminded. "Each person has his own objective, but whatever that might be, everyone wins."

CHAMPS — Caltech Masters Swim Club recently won U.S. title at Santa Clara. Here, coach Scott MacCluer, top. huddles with Fred Brown and Viola Thompson. Fred placed in four events, Viola won four silver and four bronze medals in Masters competition.

70 Masters swimmers participate in meet

Over seventy Masters swimmers, aged 25 to 66 and representing nine clubs in five states, participated in the Third Annual Leatherstocking Open Masters swim meet October 13 in the spacious 8-lane 25-yard pool in the Binder Physical Education Center at Hartwick College. Approximately 100 spectators turned out for the event, which was sponsored jointly by the Hartwick College Swim Club and the Alfred Corning Clark Gymnasium of Cooperstown. One national record was broken at the meet and many races were decided by only tenths of seconds.

Despite the somewhat disappointing response from other New York state teams, the meet drew 15 swimmers from the Oneonta and Cooperstown area, six of them swimming for the A.C.C. team for the first time.

Returning after a year's absence, Dr. David Stoeckle, swimming in the tough 25-29 age group, swept the 50 and 100 yard freestyle and the 50 backstroke events. Teammate Dr. John May placed third in the 50 and 100 free and second in the 100 yard individual medley in the same age group. Both men are residents at M.I.B. Hospital.

Swimming in his first meet, newly appointed MIB psychiatrist Chuck Hudson, 37, placed fourth in the 50 and 100 yard freestyle. Chuck is also a long distance runner who has competed in sub-Masters track events.

Dr. Allan Cunningham beat out a Connecticut swimmer by one tenth of a second to win the 100 yard backstroke, and Kurt Neunzig, 60, of Oneonta swam top times in the 50, 100, and 200 yard breaststroke events.

The ACC men also combined their talents in the 200 yard medley relay, placing second to a team from the Union Aquatic Club of Binghamton. The

so-called "Doctors' Relay" of Stoeckle, May, Koch-Weser and Cunningham, took a first in the 200 yard freestyle relay. /: 57

The newcomers to the women's team also made an excellent showing, after less than one month's training. In the 25-29 age group, Kathi Hasey of Oneonta won the 50 and 100 yard backstroke, placed second in the 50 free and third in the 100 free. Peggy Henretig, swimming competitively for the first time, took home third place ribbons in the 50 free and 50 breaststroke. Barbara Dilley, 30, won the 50 yard breaststroke event and placed third in the 50 freestyle and backsfroke in her age group. Teammates Karen Koch-Weser, 32, and Jane Johngren, 30, placed first and second, respectively in the 50 back, making it a clean sweep for the A.C.C. team in that event.

One of the highlights of the meet was a unique event which may become a tradition: the 100 yard Mates Relay. Six couples participated, including A.C.C. team members Jane and David Huber, who placed second, and Karen and Peter Koch-Weser, third. The event was won by a couple from Connecticut, Ron and Ann Hummel, who swam the 100 yards in 1:09.

Continuing a custom begun by the A.C.C. Masters team, a social hour and buffet was provided the evening before the meet for participants and their families who had traveled here for the weekend. About 35 swimmers also gathered for dinner at the Hobbit House in Oneonta at the conclusion of the competition on Sunday.

competition on Sunday.

The A.C.C. Gym Masters wish to thank all officials and timers who helped make the meet run smoothly, and all friends who donated baked goods for the competitors and were spectators at the meet.

Stickel Named Swim Team's 74-75 President

At the first annual meeting of the Jersey Masters. Swim Team, following its organization ten months ago, Cedar Grove Attorney Fred Stickel III of Roseland was elected president for the 1974-75 year.

The Jersey Masters Swim Team is an organization dedicated to physical fitness through a swimming program for men and women between the ages of 25 and 80 and over. Jersey Masters has a membership of 90 men and women from the North Jersey AAU District, most of whom are members of their local Y.M.C.A. but who swim competitively as the Jersey Masters in out-of-state meets in competition with similar organizations from the states of Connecticut, Massachusetts, Delaware and the District of Columbia and also in the National AAU Masters long and short course meets usually held in May and September. Although formed for less than a year, this organization took first place

At the first annual AAU Masters Meet in leeting of the Jersey Princeton last May and fifth lasters. Swim Team, place in the National AAU Masters Tournament in

Fort Lauderdale, also in May.

May.
Its first and immediate
past president was Clarence
A. Ross of Montclair, New

Jersey, who is 74 years of age and holds five National AAU, Masters Records in free style events from 50 yards through 1500 meters in both the long and short course events.

Its membership is drawn from all walks of life and all ages.

Jersey Masters looks forward to an even more successful year under Stickel's leadership and, hopefully, will increase its membership substantially.

meets in competition with similar organizations from the states of Connecticut, Massachusetts, Delaware and the District of Columbia and also in the National AAU Masters long and short course meets usually held in May and September. Although formed for less than a year, this organization took first place in the Eastern National

Westfield Y.M.C.A. The third East Coast Invitation Meet will again be held at Dillon Pool at Princeton University on May 2 and 3.

Stickel is a member of the Board of Management of the West Essex Y.M.C.A., an attorney with offices in Cedar Grove and Newark, is former Borough Attorney of the Borough of Roseland for 20 years, former Township Attorney of the Township of Cedar Grove for 15 years, former Borough Attorney of the Borough of Verona for two years, is married and the father of five children and seven grandchildren, is a former swimmer for Princeton University from 1933 to 1937 and was a teammate of at least two swimmers. Olympic Richard Hough (now Vice President of I.T.T.) and Albert Vander Weghe, formerly of Paterson. Stickel-swims at least four days a week at the West Essex Y.M.-C.A. and feels that the masters program is well designed to insure physical fitness and good health for any and all who participate therein. He hopes to interest former members of the Princeton, Rutgers and Seton Hall swimming teams to become members of the Jersey

I would like to thank you for the many Christmas wishes I have received and for your help in promoting the Masters Swimming Program through your support of SWIM-MASTER. I wish each of you a very "Happy" and "Record Breaking" New Year!..... My daughter came home for the week between Christmas and New Year's and my son and his fiancee drove home the day after Christmas. The College Swim Forum was held at the Swimming Hall of Fame Pool and so the Holidays have been busy. I gave a lecture to the group on Masters Swimming and hopefully inspired some new recruits. We will now have to think about the Nationals in May. The information sheets and entry blanks will be similar to last year. More information will be in the February SWIM-MASTER..... And speaking of Nationals, Ms. Jamie Stewart writes: "I would like to make a suggestion to the persons in charge of scheduling our National Championships. We should take full advantage of our regular National holidays when we set up meets lasting three or more days. Specifically, the 1975 LC Nationals are to be held Friday, August 29 through Sunday, August 31. Monday, September 1 is Labor Day and very few people will have to work that day. However, Friday, August 29 is a regular work-day for most people. It should be taken into consideration that many masters swimmers can not attend National Championships because of the tremendous expense involved. When more expense is added because of unnecessarily missed work days, it is placing an undue hardship on some of us."..... The first Masters Meet in San Marcus, TX, in 1973 only had seven contestants. The meet in Nov. 1974 grew to twenty-seven contestants with a full progam that included all of the events..... Tom Hetzel, who swam the English Channel a record number of times, swam on two relays with his teamates from Corpus Christi..... Graham Johnston is now visiting in South Africa. Before swimming in the San Marcus meet, Graham tested the water for crocodiles. He will soon be returning by way of Switzerland...... Anne Adams is about to publish an SPA=AAU Masters Handbook which will contain the SPA Ten Best Times, SPA Records, SPA Time Standards, SPA Calendar of Masters meets, the Nat'l AAU Masters rules, 1975 Nat'l AAU

Championship dates and locations, etc. This handbook is available to Masters swimmers, coaches and clubs for \$1.00. Send requests and fees to Anne Adams, 17432 Osborne St., Northridge, CA 91324..... The first New York State Masters Championships have been scheduled for August 8-9-10. 1975 at Christopher Morley Park on Long Island. According to an announcement by Metropolitan AAU Masters Chairman Dick Guido, arrangements have been completed with Nassau County, who is sponsoring the meet at their LC facility. A diving championship is also expected to be included, along with the full list of championship events, in the AAU approved order. "We're finally beginning to develop some Masters competition in the New York Metropolitan area', says Dick Guido. "We are hoping to set up an open LC meet in the early part of the summer, as a tune-up. We are also trying to work out an indoor meet at one of the local colleges, to take place in April, as a tune-up for the SC National Championships in Ft. Laud. in May". Jim Fraser of Atlanta has been working on a "pacer" for training swimmers. The "Fraser-Pacer" is a flag that runs up and down the side of the pool or over the pool. Time can be set by adjusting rheostat. It will be made with a 12V. D.C. motor self contained automobile battery and small charger. Jim has a "Patent Disclosure" that protects him for two years. If interested, write to Jim Fraser, 1356 Clairmont Rd., Decatur, GA 30033..... Irving B. Weber (70-79) and his son Willis E. Weber (40-44) are both listed in the Top Ten Times List for 1974..... All subscribers are encouraged to submit names of nominees either to Bob Beach or to the committee members for the Captain Ransom J. Arthur Award. Committee members include Judge Robert E. Beach, chairman, c/o Judicial Bldg., Rm 402, St. Petersburg, FL 22701; Carol Clay, c/o Coach Don Leas, R #2, Box 583, Shippenville, PA 16254; Bill Robertson, 226 McDonald St., Greenville, SC 29609; Ken Kimball, 11428 Mantinla Ct., San Diego, CA 92127, John Crews, 105 W. Malta Rd., Oak Ridge, TN 37830; Mrs. T. A. Baily, 293 Santa Teresa, Stanford, CA 94305; Clarence Ross, 13 Elston Rd., Upper Montclair, NJ 07043; Jim Cotton, P.O. Box 1314, Honolulu, HI 96807; Jim Councilman, R.R. #12, Box 200, Bloomington, IN 47401 and Mrs. Tink Bolster, 124 Parkside Dr., Princeton, NJ 08540..... Cease Brown is once again in the USA. Her new job is in Philadelphia as a recruiting officer for the Navy. Her duty in England did not afford her the same opportunity for participation, for facilities for swimming and attitudes towards swimming are different.
