MAY 1989

BAD DON READ LIVE FROM HELL

(Reprinted from NEM NEWS)

As some of you may know, I recently appeared on The Morton Downey, Jr. Show to extol the virtues of sex and human sexuality in general. First, I would like to categorically deny any and all rumors concerning just how the producers came about bringing me on the show. No, they did not find my name spray painted on some dump truck passing through New Jersey, nor did they find me in some sleazy bar in the Combat Zone searching for lusty, humorous women. But, enough of this.

I was contacted by the producers about two weeks prior to taping concerning my being on the show. After about an hour of conversation in which I was asked questions concerning my views on sex and sexuality education more specifically, they invited me to be a member of the show that would be taped on December 9, and aired on December 20 and 21. The show typically is taped at 7:00 p.m. with a live audience, and they wanted me to be in the studio at 6:00 p.m. for a discussion of issues, my stance, format of show, etc.

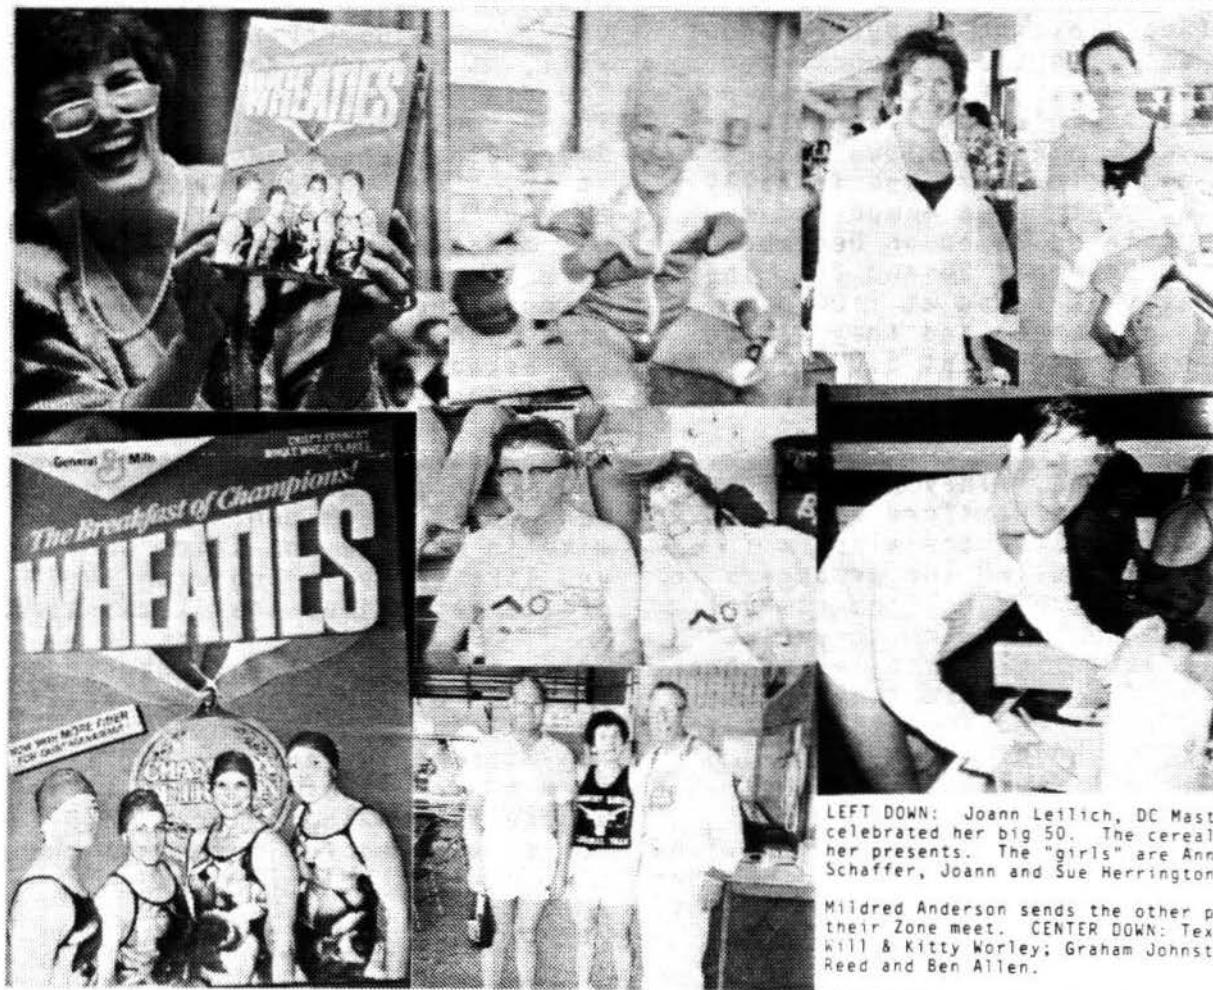

Now the fun begins. They had me scheduled to fly out of Hartford at 4:30 p.m. At 6:00 I am still in the airport in Connecticut. I called the producers to tell them that it did not look like I am going to make it, which threw them into a full panic. They called me back at the airport to tell me they had me on another flight and that they put the taping back one hour. When I arrived in Newark (where the show is taped), the limousine that was to pick me up was at the original airline flight waiting. The second panic for the producers. Another limousine was sent out. Through all of

this they are keeping the live audience waiting outside. I arrived at the studio at about 7:00. Someone took my coat; another gave me a piece of paper to sign (which stated that I cannot ever sue Mort Downey or the producers for verbal/physical abuse--where was Jim Edwards to advise me?); I was quickly ushered into the studio and asked to stand behind one of the two "Loud Mouth" podiums, with a live audience lurking inches behind me. Then someone announced, "And here is Morton Downey, Jr." He walked out (to great thunderous yelling and stomping of feet from the audience). As he walked in, he hit me on the shoulder, took a mike, and announced: "At Loud Mouth One we have expert Don Read, who can't keep his zipper zipped up. . . . At Loud Mouth Two we have . . ." Well, it all went down hill from there. The dialogue was engaging, at times funny, mostly just plain off-the-wall. Among other endearments, Downey shouted at me, "Shut up fat lips, I'll get back to you." Be aware that no one but Downey makes a point on "his" show. It is pure theater of the absurd. Half way through the show I was asked to sit on stage, and next to me sat a women who was asked what she did by Mort (as he is so lovingly called on the show). She stated that she had started a National Organization of Women Against S-E-X. They do not sleep with men, don't kiss men, don't touch men. Mort shoves a mike in my face and said "Don, how would you like to be in bed with her?" One of the rare times that I was speechless.

Well, as I was leaving the studio, the producer of the show asked me if I would be willing to be on the show again dealing with pornography. (Ah, I could send them a picture of me taken at the Long Course Nationals in North Carolina.) So, stay tuned for more from the seventh circle of Dante's Inferno.

9 MISSION BAY MASTERS	7,215
(ROGERS 65, SOKOL 67, BERGMAN 73)	

FROM THE EDITOR: This issue is full of facts! I finally received book No. 373 of a limited edition of 1000 exclusive copies of the Official Results of the 2nd FINA/MSI WORLD MASTERS SWIMMING CHAMPIONSHIPS. This is a very thick book and I couldn't possibly reproduce all the results. Also, the results are in the order of the events with all age groups listed for that event. So, check the charts on pages 5 & 6 to see how you would have made out had you been there!

WORLD RECORDS - LONG COURSE - Received a notice that there were 11 mistakes in the previously published World Records. So, scrap the first listing and use the ones on pages 2-3-4 for this summer.
