Due to a sunrise thunderstorm on race morning, the start of the race was delayed from 7AM until 9AM. This reduced the time allotted for completion from 10 hours to 8 hours (20%). We chose to reduce the required distance by 20% from 25K to 20K, but allowed those who completed 20K (4 laps) by 3PM to proceed with their fifth lap for the full 25K. As a result, anyone who completed 20K in the allotted 8 hours was considered an official finisher, but they placed behind those who completed 25K.
