

TO: USMS Records & Tabulation Committee
USMS LMSC Top Ten Recorders
Date: February 10, 2011

Enclosed is the preliminary 2011 Top Ten for Short Course Meters. Please compare this to what you sent me and send all corrections to me by Feb. 27, 2011. I plan to send the final version to the formatter by Mar. 1.

Please check through this so we can find problems BEFORE printing the final version. Check for any duplicate names, relay-team duplicates, miss-spelled names or any other errors. Pay special attention to the NV (not verified) times which are times that are faster than the official record. Some of these may be errors. They could be correct times but belong in another event. They may still need the record application to be sent in.

The preliminary top ten will be published on the web at our Top Ten web site. You can reach it by going to www.usms.org and going to "Competition" tab and then to "Top Ten". There you will find a link to the Top Ten web site. We would like as many people as possible to get involved in the proofreading. So, tell your friends.

I want to thank all the LMSC Top Ten Recorders for all the excellent work they did to make this possible. Special thanks to all those providing as many IDs as possible. This is a big help. I especially want to thank Mary Sweat for help compiling this course.

If you are no longer the Top Ten Recorder for your LMSC, please send me updated information (name, address, phone numbers, fax, email).

The best way to send corrections is by email to:

mbwswims@stny.rr.com or Topten@usms.org

Swimmingly,
Mary Beth Windrath
