

TO: USMS Records & Tabulation Committee
USMS LMSC Top Ten Recorders

Date: July 14, 2014

Enclosed is the preliminary 2013-2014 Top Ten for Short Course Yards. Please compare this carefully to what you sent me, especially if I had questions for you, and send all corrections to me by July 30. I plan to send the final version to the formatter by August 1. This preliminary is not the same format that the final version will be.

Also, **please help** check for any duplicate names, relay-team duplicates, misspellings or any other errors. There are several NVs (Not Verified - times that are faster than the official record). Some of the NVs may be errors, and if so PLEASE let me know. If valid, please encourage the meet director to get the documentation sent in to Walt Reid. There is now a **deadline** for these records, which is the end of August.

The preliminary Top Ten will be published on the web at our Top Ten web site. You can reach it by going to www.usms.org and going to the Events & Results tab and from there to "Top Ten". There you will find a link to the Top Ten web page. We would like as many people as possible to get involved in the proofreading. So, tell your friends.

A big THANK YOU to all the LMSC Top Ten Recorders for all the excellent work they did to make this possible. Special THANKS to Mary Sweat, who helped compile this course.

If you are no longer the Top Ten Recorder for your LMSC, please send me updated information (name, phone number, email).

The best way to send corrections is by email to:
